Her Mafioso King Terri Anne Browning 2018-11-28 Anya Volkov was everything I wanted and nothing I could have. I was never supposed to love her. My future has been set in stone since birth, down to who I am expected to marry. With our inner circle now compromised from my bastard of an uncle, it looked like my future had arrived earlier than expected. Cristiano Vitucci walked away from me without a backwards glance, deciding power was more important than me. I accepted that and moved on. Now he was back, ready to take over for his sick father, and no longer someone else's husband. He says he wants me back. He tells me he still loves me, that he never stopped. But how could I trust him when there is so much more at stake this time?

Off-Limits Terri Anne Browning 2019-10-07 Lyla was completely off limits. My best friend's baby sister was the thing wet dreams were made of. Killer body, sexy personality, and the ability to win my daughter over with that disarming smile of hers. I've loved her since before she was legal, but there was always something in our way. Her brother would kill me if I touched her though. What Judge ruled, everyone in the Underground obeyed. Including me. When I told her I wouldn't go against her brother, she walked away. Yet she always came back. Not for me, but for my daughter. I lived off those brief visits. Just listening to Josie giggle every time Lyla was in the same room with her fed my soul. Now, she was home for more than the random weekend, and I ached to make her mine. To hell with her brother and the consequences. Josie and I needed Lyla, and we weren't letting her go this time.

Pitch Please Lani Lynn Vale 2017-08-27 Baseball is life, the rest is just details. Everyone who's played the game has heard those words a time or two. But Hancock has heard them his entire life from his parents. His family has lived and breathed baseball even before he started little league. Hancock "Parts" Peters has a name that inspires grins across many faces, but the moment those faces get their first look at him, those grins slide away. Hancock is gruff, filterless, and doesn't give a crap who he offends. He is the only man in baseball who doesn't care if he

gets an endorsement or not. He's there to play the game. He's there to win. He's there because baseball is his life. People think he's a jerk. And maybe he is. But if that's how he has to come off to get people to leave him the hell alone so he can play in peace, so be it. The less people he has to worry about offending, the better. ***Don't let the fear of striking out hold you back. Sway Coffman didn't mean to rock the boat. She was just there to do her job. Sure, she was a woman in a man's world. Yes, she beat out several of those men to get the job as head athletic trainer for the professional baseball team, The Texas Lumberjacks. And yeah, she now got hate mail from those men. But she's good at her job, and she earned the position. What she is not good at, however, is talking to men. Men seem to see her curvy hips, large breasts and thick thighs and automatically think she is incompetent. Because surely a fat girl couldn't get the job treating some of the most fit and athletic men in the world, right? Wrong. This fat girl got the job, and she is proud of it. What else did she get? The attention of the sexiest bearded man she'd ever had the pleasure of laying eyes on. It was enough to bring her down to her knees...in front of that man, the hot and grumpy baseball player, Hancock Peters.

Needing the Memories Terri Anne Browning 2016-11-29 Happy Ever After doesn't end at the Epilogue. The Epilogue is really only the beginning. For us, it's meant sharing every high, every low, and loving each other even more when we come out the other side still standing. He's everything I've always wanted. My best friend. My lover. My husband... My Demon. And I'm his Angel. Our life hasn't always been perfect, but to me as long as I get to wake up to Angel in my arms every morning and get to tuck our girls into bed at the end of each day I'll be the happiest man in the world. Nothing can come between us, nothing can tear us apart. Only...I have one regret. One that is still a black void in my head. Every year it's the same. The regret. The self-loathing for the man I was back then. The anger that I'd taken something from the woman who has given herself to me so freely and being unable to remember a single second of it. This year it's worse for me. It's slowly driving me crazy. Maybe it's time to hit rewind and give us both a do over for that night. Maybe what I really need is a memory to replace that empty blackness that is trying to swallow me whole. ***PLUS*** Bonus The Rocker...Series companion in the back.

Atonement Terri Anne Browning 2017-05-18 Lessons hard learned last the longest. Creswell Springs biggest manwhore, Raider Hannigan, one of Angel's Halo MC's most notorious members wasn't for me. After years of him holding my heart, I had seen the harsh light of my reality. Raider would never want me or ... love me. With a firm resolve to move on, I wouldn't give in. Sweet Agony Terri Anne Browning 2019-12-31 Vengeance was something I'd been waiting all my life to deliver. It would be sweet and worth every risk I'd taken to get to this point. I was moments away from pulling the trigger, taking the life of the man who'd cost my father his...And then she was dragged into the room, struggling and fighting for freedom. The moment I set eyes on Tavia, everything changed. Those darker than espresso eyes were full of fear, her mouth so ripe that had once begged me to devour it trembling in fright. She looked up at me through a curtain of thick, long lashes and gasped. "Theo," she whispered, her voice cracking as those eyes I'd fallen hard for filled with tears. "Help me." It was then I realized my Tavia was also his. My enemy's daughter.

Defying Her Mafioso Terri Anne Browning 2016-10-11 *Ciro Donati* was many things: My father’s most valued and trusted soldier. My brother’s best friend and second in command. And the only man I would give up everything for. I fell hard for the Mafioso at the tender age of eleven. This beast of a man who I knew made people disappear—and probably enjoyed every second of it—was also the sixteen-year-old boy who had picked me up after I’d fallen flat on my face during my dance recital and told me I was the best ballerina he’d ever seen. He’s watched over me, protected me like I was the most precious thing in the world to him. And then he sent me away. *Scarlett Vitucci* was many things: The daughter of the biggest Cosa Nostra boss from New York to Chicago. The sister of the man I would gladly take a bullet for. And the only woman I would ever love. Sending her away was the hardest thing I’ve ever done, but I didn’t deserve her or her love. For three years I stayed away, ignoring the gnawing ache that her absence left in my chest. Now, she was back and fighting what I felt for her was impossible. Letting her go had been a huge mistake. One I would never repeat.

Loving Violet Terri Anne Browning 2020-05-25 "Even before you were born, we belonged to each other, Vi," I reminded her, trying to fight the desperation to grab on to her and hold her, because I could feel her slipping away from me more and more with each beat of my heart. "You were in your mom's belly, but I still felt you in my heart. It was as if there was this invisible cord connecting your heart to mine. I can't see it, but I feel it. Every damn day. You are mine." "You're right. I've always felt it too. I am yours. And you were supposed to be mine. We were supposed to be each other's firsts, Luca. First kiss. First touch. First everything. We promised we would be each other's firsts. 'Firsts and lasts,' that's what you said. I remember it as clear as if it were yesterday. You swore that you would wait. That I was worth it. But you didn't wait, did you, Luca? You gave all your firsts away to someone else." "I..." My throat closed up, making it impossible to speak, to tell her everything I needed to so I could fix this. Fix us and what I broke. "You stole that from me, Luca." Angry tears spilled from her eyes, and my heart shattered even more. "You gave away everything that was supposed to be mine. And you just expect me to be okay with that? I've waited my entire life to give you my firsts, but you have none to give to me." "I'm sorry," I whispered, my voice choked with emotions I was afraid to lose control of. If I let the tears free that were burning my eyes, I might flood the world. "Sorry? You're sorry?" Her laugh was hard and final, causing me to flinch. "Yeah. So am I." "What does that mean?" My throat felt like I'd swallowed broken glass, and I was surprised I didn't spray blood on her with each exhale. "It means I'm done. You tossed away your firsts like they meant nothing. So mine are no longer yours." "**** If you are easily triggered, this book is not for you!**** Cherishing Doe Terri Anne Browning 2021-11-19 Doe Jenner conquered my heart with such ease. Jenner From the moment I set eyes on Doe, I was hers. I tried to keep my distance, knowing that if I allowed myself too close, I'd never get enough. But a man was only so strong. The Rocker Who Holds Me Terri Anne Browning 2014-08-19 NEW COVER Touring with four rockers is the thing of dreams... At least that is what people tell me. To me those four rockers are my family. They have watched over me from the time I was five years old. Protecting me from my mother and her drunken, drug addict rages. When they made it big they still watched over me. And when my monster of a mother died they took over as my guardians. In the six years since that happened I have watched over the four men that mean everything to me. I take care of them just as they once took care of me. I handle all the dirty work behind the scenes of a rockers life. It isn't always pretty. At times it can be damn near disgusting, especially when I have to get rid of their one night stands. Ugh! Taking care of them doesn't bother me though. I mean it's not like I'm in love with one of them. That would be crazy. Falling for a rocker is NOT smart. Okay, so I'm not smart. I love my guys, and one of them kind of holds my heart in his big old rocker hand. But I'm dealing. I've been able to keep it my little secret for years now. I'm not, however, dealing with this bug that I seem to have caught. It scares the hell out of me. I hate doctors, but I'm suddenly more worried about finding out what is wrong with me than what the doctor might do to me. When I get my test results back my life will never be the same again...
