New York Magazine 1993-05-10 New York

magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Brotherhood of Locomotive Firemen and Enginemen's Magazine 1900

Factsheet Five

Poet's Market, 1995 Christine Martin 1994 Provides poets with information on more than one thousand commercial and literary markets for their work, details of payments and submission guidelines, interviews with poets, publishers, and editors

Sexidemic Lawrence R. Samuel 2013 A cultural history of sex since World War II looks at Americans' conflicted relationship with it, in a book that looks at such issues as low libido, sex addiction, sex-related stress and much more.

Up in Smoke Katie Macalister 2019-05-27 Though May Northcott's heart belongs to Gabriel Tauhou, leader of the silver dragons, being stuck in Abaddon has significantly cooled down her love

life—especially since a demon lord is trying to woo her. So far, May has resisted his efforts, but it's getting increasingly harder to thwart disaster. So May is shocked when Gabriel encourages her to give in to the demon prince. But her fire-breathing boyfriend has an ulterior motive. Since May was created in the mortal world, her surrender would give her master access to that world, where he would lose most of his powers. It looks as though May will have to barter to gain her freedom and fulfill her destiny by Gabriel's side. But will a deal with the devil make life heaven or hell?

Poet's Market, 1994 Christine Martin 1993 Poets will find US and international publishers of poetry, a list of Canadian and US arts councils, contests and awards, writing colonies, organizations and publications useful to poets. 1,700 listings.

Locomotive Firemen's Magazine 1899

Crampton's Magazine 1899

A Crack in Everything Vanessa Carlisle 2010-09-02

“Get ready: while other books may show up carefully dressed, this one answers the door in her underwear.” —SARK, Author, Artist, Creative Fountain, PlanetSARK.com “...a new, exciting voice in fiction...A truly impressive debut novel that announces Carlisle as a writer to watch.” —Rob Roberge, author of *Working Backwards* from the

Worst Moment of My Life “The characters that inhabit this sharp and witty novel are troubled, impoverished, confused, lost, sexually frustrated, and intellectually unfulfilled. So...basically everyone I know.” —Mike Barker, Co-Creator and Head Writer, American Dad! “...saucy writing yet tender and heart-felt characters...bridges an unusual but empowering sisterhood between girls-next-door and girls-on-stripper-poles. It’s about time! —Jennifer Musselman, author of Own It! The Ups & Downs of Homebuying for Women Who Go It Alone Twenty-five-year-old Tamina is a sharp-witted Jersey girl living in Hollywood with a near-phobic response to mismatching colors, an addiction to pedicures, and a hectic job teaching comprehensive sex education to urban youth. Suffering the consequences of a violent assault, Tam looks for relief in romance and LA’s underground erotic entertainment scene. However, when Tam’s young attacker unexpectedly resurfaces among a crowd of drag queens, porn stars, and musicians, Tam finally must make real choices. Fear or confrontation. Cynicism or curiosity. Silence or honesty. It would be surreal, if it wasn’t LA.

Blue-Eyed Blonde Sherman D. Manning 2006-04  
Sex, Love, Rock & Roll; Jeremy Shackelford has a passion for Justice. This is Sherman Mannings

brand new book. A blast. Manning is a master of Generation X writers. In this sensational book, Jeremy Shackelford is a stud, a jock and a fraternity leader. He graduates Magna Cum Laude from U. C. Davis in California . . . He interned at the State Capitol for the Terminator. Jeff Bezos, Bill Gates, Terry Semel and Marc Cuban all gave Jeremy lucrative job offers. But Jeremy Shackelford is a podcaster, a blogger, an iPodder and the Editor of the Sacramento Bee Newspaper. He kicks it with Marcus Pinkus, Victor Rasuk, Brad Pitt, Angelina Jolie, Adam Curry, Josh Davis, Dennis Lloyd and Trent Reznor. In the process of wining, dining, sex, drugs, rock and roll, Jeremy stumbles upon some information . . . A powerful secret. His journalistic discovery; could be deadly . . .

Sex and the Soul Donna Freitas 2015 First published in 2008, Donna Freitas's Sex and the Soul revealed what college students -- at institutions large and small, public and private, secular, Catholic, and evangelical -- really think about sex, dating, religion, and spirituality. Based on face-to-face interviews with students across the country, Sex and the Soul achieved national acclaim, illuminating the as-yet-unexplored struggles of college students navigating the lines of faith and sexuality. Now, in this updated edition, Freitas

reflects on the hundreds of conversations she has had with students since the book was first published in an all-new afterword, and offers practical advice for young people struggling with issues of sex and spirituality and for the adults giving them guidance.

Newsweek 2008

Poet's Market, 1993 Michael J. Bugeja 1992-09

Poets will find 1,700 listings, including U.S. and international publishers of poetry, a list of Canadian and U.S. arts councils, contests and awards, writing colonies, organizations useful to poets, and publications useful to poets.

Out 2005-06 Out is a fashion, style, celebrity and opinion magazine for the modern gay man.

Pornified Pamela Paul 2007-04-01 "Strips porn of its culture-war claptrap . . . Pornified may stand as a Kinsey Report for our time."—San Francisco

Chronicle Porn in America is everywhere—not just in cybersex and Playboy but in popular video games, advice columns, and reality television shows, and on the bestseller lists. Even more striking, as porn has become affordable, accessible, and anonymous, it has become increasingly acceptable—and a big part of the personal lives of many men and women. In this controversial and critically acclaimed book, Pamela Paul argues that as porn becomes more pervasive, it is destroying

our marriages and families as well as distorting our children's ideas of sex and sexuality. Based on more than one hundred interviews and a nationally representative poll, Pornified exposes how porn has infiltrated our lives, from the wife agonizing over the late-night hours her husband spends on porn Web sites to the parents stunned to learn their twelve-year-old son has seen a hardcore porn film.

Pornified is an insightful, shocking, and important investigation into the costs and consequences of pornography for our families and our culture.

Backside of the Moon Tango Gao 2017-12-12 The first book by Shanghai-born visual artist, cartoonist, social media phenomenon, and advertising executive Tango to be published in the United States, MADITATION is a brilliantly tongue-in-cheek dissection of the everyday insanities of 21st-century urban living--and a witty guide to how to keep one's calm in the midst of the craziness. Tango's doodles have a simple, fluent, and funny style. His humor is obvious without words and explanation. Everything he draws has its own expression. Even air has a shape and a piece of bread can be a protagonist. Tango celebrates finding joy and surprise in our daily life. No matter how small we are and how frustrating life can be, we shall endeavor to feel "alive." Tango's playful line drawings may just help

you attain inner peace and tranquility--but at the very least they will make you smile.

College Is for Suckers April Norhanian 2009-02

College Is For Suckers The First College Guide You Should Read FOREWORD Are you stressing over which college to attend, or wondering if college is the right choice for you at all? Are you an undeclared major who asks yourself what you are doing in college in the first place? Are you considering going back for a Masters degree because you don't like your job(s)? Or are you afraid you may be ridiculed if you were to even question if college is the right choice for you at all? Despite the constant hubbub stressing the need for an educated workforce, I believe that college is oversold. There is a glut of college graduates in the labor market. And many of them will end up working in jobs that don't require a college degree. The surplus of graduates with Bachelor Degrees is so huge that enrollment in post-graduate schools is at an all-time high. American universities produce 25 percent more doctorates than the market can use. Higher education is a six billion dollar-a-year industry. The average cost of college has increased at more than double the rate of inflation. Despite the bloated costs and questionable overall quality of a four-year college education, Americans are still

convinced that it's the only way to come out on top. Unfortunately, what many graduates gain from a four-year degree is: a cap, a polyester gown, maybe a hangover, and about \$25,000 of student loan debt. Today, despite the imbalance of the supply and demand for a college-educated workforce, there is still a stigma placed on people who do not choose a four-year college education. Once considered optional, today it's expected of anyone who dares to call themselves educated. But until now, no one has really questioned the actual value or relevance of a college degree in today's job market. Many have never bothered to fully explore college alternatives such as apprenticeships, trade schools, or job certifications. **College Is For Suckers** The First College Guide You Should Read is a frank and to-the-point buyer beware for anyone considering a college vacation. This book offers insightful information that could save you thousands of dollars! While exposing the hype associated with a traditional college education, this book provides you with valuable options for higher education in your pursuit of a successful future. Even if you are dead set on going to college, you can't afford to be without this book! Be aware of what you, as a college consumer, can realistically expect from a traditional four-year college. Don't be a sucker!

College Is For Suckers The First College Guide You Should Read Shatters myths about the need for a traditional liberal arts education. Compares the hype with the actual value of a four-year degree in today's market. Peels away the extra fluff associated with the college experience and shows how you can be a "well-rounded" party animal on your own while attending trade schools, vo-tech programs or apprenticeships that actually prepare you for a career. Provides thought-provoking points to help you decide if college is necessary for you, or at least necessary for you now. Explains how college has actually "dumbed-down" due to grade inflation, ridiculous requirements, and outdated curricula. Offers creative alternatives for achieving a marketable education. Lists valuable resources for obtaining knowledge, credentials and experience (other than a four-year college) and shares the secrets of successful professionals who never graduated from college. Explains the dangers of student loans and how college is not always a good "investment."

Love Life Lexy Timms 2016-06-02 From international bestselling author, Lexy Timms, comes a forbidden romance that'll set your heart racing. She'd given up on love. He didn't have time for it. She thinks he's a stuck up pretty boy who doesn't

care about anyone but himself, and he thinks she's a stuck up prude who wouldn't know how to "put out" if she tried. And yet... Antonio Riverra AKA Tony Rivers comes from a lower class background, raised in the rough streets of gang-infested L.A. His only saving grace was his mother who was a dance teacher. However, Tony kept his knowledge of ballet a highly-guarded secret. He's applied for early admission to a number of California performing arts colleges, but earned a scholarship to small but prestigious school, the San Oaho College of Visual and Performing Arts. Allison (Allie) Holbrook is the rebellious daughter of a rich man. She doesn't know her mother, as she was abandoned on her father's doorstep when she was three. Since a paternity test confirmed she was his, Jefferson Holbrook took financial but not emotional responsibility for her. He had a nanny care for her until she was old enough to go to boarding school. She's had the best of everything but good role models. Because her father controls everything about her life, and Jefferson believes the only thing a rich man's daughter should do is marry a rich man's son, he sends her off to the San Oaho College of Visual and Performing Arts while he finds her a husband. Does love have limits? At what cost? Out of nowhere, when Allie least expects it, Tony crashes into her

life. Now, the stakes have never been higher. This is steamy romance, NOT erotica. Search Terms: Suspense romance, hot and steamy, dance, romantic suspense, romantic comedy, sports romance, new adult and college romance, sport romance, dark romance, contemporary romance  
Men's Health 2008-04 Men's Health magazine contains daily tips and articles on fitness, nutrition, relationships, sex, career and lifestyle.

An Author Index to Little Magazines of the Mimeograph Revolution, 1958-1980 Christopher Harter 2008 An Author Index to Little Magazines of the Mimeograph Revolution references approximately 100 literary magazine (or "little magazine") titles published between 1959 and 1980, aiding researchers in finding approximately 20,000 works by more than 500 individual writers and poets. Christopher Harter focuses on a select but important subgenre of little magazines that originated during the "Mimeograph Revolution." This era is significant in the history of twentieth-century American literary magazines because the decreased cost of production resulted in a tremendous increase in the number of such magazines. The period is also noteworthy in that the "mimeos" differed from the reviews of earlier decades because of the lack of cohesion around a

particular school of writers and an opposition to the increasingly corporate nature of mainstream publishing in the late twentieth century. For students and scholars of contemporary writing, this index is an excellent resource for locating and tracing the publication of individual works by authors and poets.

The World of TwoMorrows John Morrow 2020-04-08

In 1994, amidst the boom-&-bust of comic book speculators, *The Jack Kirby Collector #1* was published for true fans of the medium. That modest labor of love spawned TwoMorrows Publishing, today's premier purveyor of publications about comics and pop culture. Celebrate our 25th anniversary with this special retrospective look at the company that changed fandom forever! Co-edited by and featuring publisher John Morrow and Comic Book Artist/Comic Book Creator magazine's Jon B. Cooke, it gives the inside story and behind-the-scenes details of a quarter-century of looking at the past in a whole new way. Also included are *Back Issue* magazine's Michael Eury, *Alter Ego*'s Roy Thomas, George Khoury (author of *Kimota!*, *Extraordinary Works of Alan Moore*, and other books), Mike Manley (*Draw!* magazine), Eric Nolen-Weathington (*Modern Masters*), and a host of other comics luminaries who've contributed to TwoMorrows' output over the years. From their first

Eisner Award-winning book *Streetwise*, through their *BrickJournal* *Lego®* magazine, up to today's *RetroFan* magazine, every major *TwoMorrows* publication and contributor is covered with the same detail and affection the company gives to its books and magazines. With an Introduction by Mark Evanier, Foreword by Alex Ross, Afterword by Paul Levitz, and a new cover by Tom McWeeney!

Men's Health 2008-04 *Men's Health* magazine contains daily tips and articles on fitness, nutrition, relationships, sex, career and lifestyle.

*Sex and the Soul* Donna Freitas 2008-04-11 Based on dozens of face-to-face interviews, *Sex and the Soul* explores the sexual and spiritual lives of today's college students. Donna Freitas crisscrossed the country, visiting a range of America's colleges and universities--from public to private, Catholic to evangelical--to find out what students had to say about these highly personal subjects. Their stories will not only engage readers, but, in many cases, move them with the painful struggles these candid young women and men face. Indeed, the book uncovers aspects of college life that may unsettle some readers, especially parents. Many campuses, for instance, are dominated by the pervasiveness of hook-up culture. Moreover, many students see little connection between sex and

religion, even as they seek one between sex and spirituality. Indeed, these observations hold true even at Catholic schools. Only at evangelical colleges is religion an important factor when deciding whether or not to engage in sex. But Freitas's research also reveals that, even at secular schools, students are not comfortable with a culture of casual sex, and that they do want spirituality, at least, if not also religion, to speak about what they should do and who they should try to be--not just what they should avoid doing. Sex and the Soul will offer readers the chance to hear college students speaking honestly about extremely sensitive topics, in a book that will be of great interest to students, parents, clergy, teachers, and anyone who wants to know what's happening on today's college campuses. Named one of the Best Religion Books of 2008 by Publishers Weekly "Fascinating, disturbing...engaging...persuasive.... Freitas's work chronicles a poignant spiritual loss that students themselves articulate and mourn." --Publishers Weekly "Candid, disturbing, yet ultimately hopeful....Throughout this beautifully written book, Freitas presents students' feelings and experiences in an unflinching yet compassionate way. You care about these young people and their struggles. This book is a great service to students, parents, and

those at colleges and universities who want to prepare young adults not just for the workplace but for healthy and fulfilling lives." --Christian Science Monitor

A Perfect Bind Dorothy St. James 2021-09-28  
Librarian Tru Beckett, ardent defender of the printed word, is about to find out that keeping murder checked out of her beloved library is much harder than she thought... Tru Beckett succeeded in building a secret book room in her now bookless library, where book lovers from lovely Cypress, South Carolina, can rejoice in the printed word. Now she's working hard to maintain the little library downstairs while keeping her "real job" upstairs in the bookless technology center. The last thing she needs is a mysterious vandal who seems intent on breaking into her secret book-filled sanctuary and creating chaos. The nasty interloper doesn't steal anything, but brutalizes the books, damaging them and knocking them off shelves. A patron of the secret book room tells Tru that there have been creepy goings-on at the library for years, especially in the basement where the secret book room is located. He's heard rumors of a poltergeist that haunts the library, determined to scare off readers. Tru is certain it's hogwash, but she's at a loss to think of who might be vandalizing the beautiful

books she fought so hard to protect. And when a dead body shows up right behind the library, Tru is certain that it's not a ghost but a cold-blooded killer that she and her trusty tabby Dewey Decimal will need to uncover.

Bonk: The Curious Coupling of Science and Sex

Mary Roach 2009-04-06 A New York Times

Bestseller “Rich in dexterous innuendo, laugh-out-loud humor and illuminating fact. It’s compulsively readable.” —Los Angeles Times Book Review In *Bonk*, the best-selling author of *Stiff* turns her outrageous curiosity and insight on the most alluring scientific subject of all: sex. Can a person think herself to orgasm? Why doesn't Viagra help women or, for that matter, pandas? Can a dead man get an erection? Is vaginal orgasm a myth? Mary Roach shows us how and why sexual arousal and orgasm—two of the most complex, delightful, and amazing scientific phenomena on earth—can be so hard to achieve and what science is doing to make the bedroom a more satisfying place.

PC/Computing 1997

Game Informer Magazine 2006

Women's Health 2008-03 *Womens Health*

magazine speaks to every aspect of a woman's life including health, fitness, nutrition, emotional well-being, sex and relationships, beauty and style.

Porn Chic Annette Lynch 2013-08-15 The

mainstreaming of pornographic imagery into fashion and popular culture at the turn of the millennium in Britain and the US signalled a dramatic cultural shift in construction of both femininity and masculinity.

For men and women, raunch became the new cool.

This engaging book draws from a diverse range of

examples including film, popular tabloids, campus culture, mass media marketing campaigns, facebook profiles, and art exhibits to explore expressions and meanings of porn chic. Bringing a cultural and feminist lens to the material, this book challenges the reader to question the sexual agency of the 12-year-old girl dressed to seduce in fashions inspired by Katie Price, the college co-ed flashing her breasts for a film maker during Spring break, and the waitress making her customer happy with chicken wings and a nice set of Hooters. Further it explores the raunchy bad boys being paid handsomely to tell the world about their sexual exploits, online, on film, and in popular press bestsellers. The book also contains thought-provoking artwork by Nicola Bockelmann which focuses on the permeable border between pornography and mainstream culture and urges viewers to question everyday explicitness. Balancing a popular culture approach and a strong analytic lens, Porn Chic will engage a wide audience of readers interested in popular culture, fashion, and gender studies.

Boink The Editors of boink magazine 2008-02-11  
BOINK is what happens when a group of undergrads from Boston University decide to publish a sex magazine. Now comes their explosive

book, the definitive college guide to carnal knowledge. Openly exploring sexual themes that are relevant to all men and women, these 4-color, beautifully designed pages are filled with never-before-published true stories, prescriptive advice, graphic confessions, and no-holds-barred nude pictures of real university students (not the fake "college co-eds" all over the internet). With student contributors from named major universities, BOINK vividly details what goes on under the dorm room sheets across the country.

Encyclopedia of the New York School Poets 2015-04-22 Presents an alphabetical reference guide detailing the lives and works of poets associated with the New York Schools of the early twentieth century.

Sex and the University Daniel Reimold 2010 During the last decade or so, college newspaper sex columns and campus sex magazines have revolutionized student journalism and helped define a new sexual generation. Sex and the University explores the celebrity status that student sex columnists and magazine editors have received, the controversies they have caused, and the sexual generation and student journalism revolution they represent. Complete with a "sexicon" of slang, this book also dives into the columns and magazines

themselves, sharing for the first time what modern students are saying about their sex and love lives, in their own words.

New York Magazine 1993-05-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

A Place Called Home Jo Goodman 2011-05-26 When Thea Wyndham and Mitchell Baker learn they've been named joint guardians for their late friends' three children, they're little more than acquaintances. Barely polite acquaintances, at that. Something about Mitch's forthright intensity has always left ad exec Thea feeling off-balance, while Mitch makes no secret of his disdain when Thea offers him financial assistance if he'll take sole guardianship. Thea is far from heartless. She's just plain terrified of her new parenting responsibilities. Both she and Mitch are romantically involved with other people. Yet the more time they spend

together, the less certain she is of her loyalties. There are complications and missteps, tears and laughter--lots of it. And somehow, through it all, the dawning realization that the last place she thought she'd find herself could be just where she belongs. .

. Praise for Jo Goodman's *Marry Me* "Fans of historical and western romance will appreciate Goodman's witty dialogue, first-rate narrative prose and clever plotting." –Publishers Weekly (starred review) "An insightful, gently sensual love story."

–Library Journal

*Ghost Watch* David Rollins 2010-01-10 Special Agent Vin Cooper is feeling reckless. He volunteers for the dumbest and most dangerous job going: personal security operations in Afghanistan protecting bent politicians. But when his principal is killed in a suicide bomb attack, Cooper is reassigned to a cushy job nursing a couple of needy African-American entertainers putting on a show for US military advisors at a secret base in Rwanda. Or so he thinks. Things go horribly wrong when their United Nations chopper is forced down in the Democratic Republic of Congo in the middle of an all-out firefight by opposing forces. The nightmare only intensifies when some of Cooper's people, including one of the entertainers, are captured. While risking his life to rescue his principals, Cooper

spies a US DoD advisor in the enemy encampment, which is awash with American weaponry. It seems that their forced landing in this inhospitable place was no accident...
