He Who Fights with Monsters Shirtaloon 2021-05-10 The path from retail middle management to interdimensional wizard adventurer wasn't easy, but Jason Asano is settling into his new life. Now, a contest draws young elites to the city of Greenstone, competing for a grand prize. Jason must gather a band of companions if he is to stand a chance against the best the world has to offer. While the young

adventurers are caught up in competition, the city leaders deal with revelations of betrayal as a vast and terrible enemy is revealed. Although Jason seems uninvolved, he has unknowingly crossed the enemy's path before. Friends and foes made along the way will lead him to cross it again as inevitable conflict looms. After cementing itself as one of the best-rated serial novels on Royal Road with an astonishing 13 million views, the He Who Fights with Monsters Series is now available on Kindle. It's perfect for fans of Pirate Aba, Dakota Krout, and Luke Chmilenko.

Endurance Alfred Lansing 2000 Adventure, shipwreck, storms and survival on the high seas.

ENDURANCE is the story of one of the most astonishing feats of exploration and human courage ever recorded. In 1914 Sir Ernest Shackleton and a crew of 27 men set sail for the South Atlantic on board a ship called the Endurance. The object of the expedition was to cross the Antarctic overland. In October 1915, still half a continent away from their intended base, the ship was trapped, then crushed in ice. For five months Shackleton and his men, drifting on ice packs, were castaways on one of the most savage regions of the world. This utterly gripping book, based on first-hand accounts of crew members and interviews with survivors, describes how the men survived, how they lived together in camps on the ice for 17 months until they reached land, how they were attacked by sea leopards, the diseases which they developed, and the indefatigability of the men and their lasting civility towards one another in the most adverse conditions conceivable.

The Atlas Six Olivie Blake 2021-09-28 The much-acclaimed BookTok sensation, Olivie Blake's The Atlas Six--now newly revised and edited with additional content. • The tag #theatlassix has millions of views on TikTok • A dark academic debut fantasy with an established cult following that reads like THE SECRET HISTORY meets THE UMBRELLA ACADEMY • The first in an explosive trilogy The Alexandrian Society, caretakers of lost knowledge from the greatest civilizations of antiquity, are the foremost secret society of magical academicians in the world. Those who earn a place among the Alexandrians will secure a life of wealth, power, and prestige beyond their wildest dreams, and each decade, only the six most uniquely talented magicians are selected to be considered for initiation. Enter the latest round of six: Libby Rhodes and Nico de Varona, unwilling halves of an unfathomable whole, who exert uncanny control over every element of physicality. Reina Mori, a naturalist, who can intuit the language of life itself. Parisa Kamali, a telepath who can traverse the depths of the subconscious, navigating worlds inside the human mind. Callum Nova, an empath easily mistaken for a manipulative illusionist, who can influence the intimate workings of a person's inner self. Finally, there is Tristan Caine, who can see through illusions to a new structure of reality—an ability so rare that neither he nor his peers can fully grasp its implications. When the candidates are recruited by the mysterious Atlas Blakely, they are told they will have one year to qualify for initiation, during which time they will be permitted preliminary access to the Society's archives and judged based on their contributions to various subjects of impossibility: time and space, luck and thought, life and death. Five, they are told, will be initiated. One will be eliminated. The six potential initiates will fight to survive the next year of their lives, and if they can prove themselves to be the best among their rivals, most of them will. Most of them. Garth Brooks The Anthology Garth Brooks 2017-11-14 The first five years were filled with high adventure, with dreams coming true, with new friendships beginning and old friendships growing. Most of all, though, the years were filled with music being made. We thought about songs night and day, chased the things. I was surrounded by songwriters, musicians, producers, engineers, managers, by people who lived to make music, and we got to see the world through songs. There were a lot of firsts, one after another: First time leaving Oklahoma for Nashville, first time hearing one of our songs on the radio, first time hitting number one. We won't ever get to go through all those firsts again, but this book is my chance to get together with the people who shared the experiences and together remember how it all went down. This book gathers what comes to our minds when we think of the first five years and the songs that came to life during that time. Inside these pages you'll find the music that got released in those first five years, five CDs of it. But you'll also find a few recordings that we've never shared, some of my favorites. You'll find photographs that have never been made public, behind-the-scenes images from before the first record and others from during the journey. There are artifacts from the vaults, things I've saved myself, bits and pieces of this history that mean a lot to me. I've always wanted to bring

people closer to what I saw, what I experienced. This feels like the closest I've come to doing just that.
