Manners That Matter Lorilynn 1999 Motivating activities, games, and thought-provoking questions help students realize the importance of good manners

and find appropriate ways they can achieve them. Each chapter in *Manners That Matter* includes a culminating journal-writing assignment in which students review the concepts they have learned and then record their personal responses. Respect and courtesy to others as well as developing better manners in the classroom, the school environment, and other social situations are highlighted through role-playing, critical thinking, and writing activities and assignments.

Vocabulary Mind Stretches Ann Fisher 1997 More than 70 mind-stretching activities and puzzlers to challenge students and help expand their vocabularies in an appealing way! Students develop a greater love of language.

Theme-based Reading Comprehension, Grade 6 Instructional Fair 2003 With the increased focus on literacy in the classroom, it is more important than ever to provide students with interesting reading activities. These reading activities should help develop students' fluency, vocabulary, and comprehension. This book has been written thematically. The use of themes increases reading comprehension skills by focusing students' attention on one subject rather than having to adjust their thoughts to several. The activities reinforce comprehension skill such as finding the main idea, summarizing, inferencing, comparing and contrasting, sequencing, and classification. The activities include a variety of multiple choice, fill-in-the-blank, short

answer, and long answer questions.

Teaching the Classics, Grade K-1 Instructional Fair 2001 Get your students excited about reading -- and the Bible -- with this series! Besides vocabulary, critical thinking questions, and skill-oriented worksheets, each book contains curriculum-related activities and projects to make reading come alive in your classroom. Plus, you will find a Bible application section that relates each book to relevant Bible passages and teachings. Whether you home school or have a class of 30 students, this is the literature-based book for you!

Time and Money, Grades 1 - 2 Bill Linderman 2000-01-15 Your students will love Time and Money, and so will you! With 100 reproducible pages, you will never be at a loss for a way to introduce practice sessions for these important skills. Time and money concepts are vital knowledge for everyday life. These engage Kids on the Internet Kim Mitchell 1999 A middle school teachers resource book which shows how children aged between 10 and 13 can gain confidence in using the Internet. Includes exercises, activities and photocopiable worksheets for pupils to use. Illustrated with 50 black and white drawings.

Let's Meet Famous Women Artists Jacqueline A. Badman 1996 Contains biographies, activities, evaluations, a bibliography, a glossary, and extended activities to enrich a child's understanding of 19 women artists and their art.
