Aéro-hydro-élasticité 1973

Basic Discrete Mathematics Richard Kohar 2016-06-15 This lively introductory text exposes the student in the humanities to the world of discrete mathematics. A problem-solving based approach grounded in the ideas of George Pólya are at the heart of this book. Students learn to handle and solve new problems on their own. A straightforward, clear writing style and well-crafted examples with diagrams invite the students to develop into precise and critical thinkers. Particular attention has been given to the material that some students find challenging, such as proofs. This book illustrates how to spot invalid arguments, to enumerate possibilities, and to construct probabilities. It also presents case studies to students about the possible detrimental effects of ignoring these basic principles. The book is invaluable for a discrete and finite mathematics course at the freshman undergraduate level or for self-study since there are full solutions to the exercises in an appendix. "Written with clarity, humor and relevant real-world examples, Basic Discrete Mathematics is a wonderful introduction to discrete mathematical reasoning."- Arthur Benjamin, Professor of Mathematics at Harvey Mudd College, and author of The Magic of Math

College English Quiz ??? 2003

Your Forces and How to Use Them Christian D. Larson 2009-01-01 Have you ever found yourself stuck in a situation you feel totally and absolutely powerless to change?

Christian Larson believes that nothing could be further from the truth than this assessment. According to the author, every human has a virtually limitless capacity for power at their disposal -- even if all that we can change is our way of looking at our problems. Get on the path toward personal happiness and fulfillment using the simple concepts and techniques set forth in this captivating volume today.

How To Pass Your Exams 4th Edition Mike Evans 2011-06-01 Whatever exams you're taking, this book really will make a big difference to your performance - at professional or academic level; Master's or GCSE; A level, essay or multiple choice. Many hard working, intelligent people still fail their exams through lack of confidence or poor exam technique. At least fifty per cent of a candidate's chances are down to: *Taking the right attitude into the exam *Using simple but very effective techniques in the exam itself *Approaching your course of study in the right way These factors are your guarantee of success. They are easy to learn and proven beyond doubt. They will also boost your confidence so that you arrive in the exam room both ready and able to succeed. Contents: Preface; 1. Getting a sensible perspective; 2. What examiners want; 3. Getting set for success; 4. The role of parents, partners and fellow students; 5. Revision; 6. Special techniques; 7. As the exam approaches; 8. The exam; Index.

Anatomy & Physiology 2016

Blossoms of the Savannah Henry R. ole Kulet 2008 Blossoms of the Savannah is the story of two sisters, Taiyo and Resian, who are on the verge of womanhood and torn between their personal ambitions and the humiliating duty to the Nasila tradition. Relocation to their rural home heralds a cultural alienation born of their refusal to succumb to

female genital mutilation and early marriages. In pursuit of the delicate and elusive socio-economic cultural balance in Nasila, Ole. Kaelo, the girls' father is ensnared by a corrupt extortionist. To extricate himself he sends his daughters into a flat-spin labyrinth from which they have to struggle to escape.

A Doll's House and Other Plays Henrik Ibsen 2016-06-30 A Doll's House/Ghosts/Pillars of the Community/An Enemy of the People 'Our home has never been anything other than a play-house. I've been your doll-wife here, just as at home I was Daddy's doll-child' These four plays established Ibsen as the leading figure in the theatre of his day, sending shockwaves throughout Europe and beyond. A Doll's House scandalized audiences with its free-thinking heroine Nora. Ibsen's even more radical follow-up, Ghosts, exposes family secrets and sexual double-dealing, while Pillars of the Community and An Enemy of the People both explore the hypocrisy and the dark tensions at the heart of society. This new translation, the first to be based on the latest critical edition of Ibsen's works, offers the best version available in English. A new translation by DEBORAH DAWKIN and ERIK SKUGGEVIK With an Introduction by TORE REM General Editor TORE REM

Oral Literature of the Asians in East Africa Mubina Hassanali Kirmani 2002 A further new title in this series on East African oral literature, considering East African-Indian genres of oral literature and cultures, which developed as people from India/Asia migrated to East Africa. The authors discuss how these literatures have been a source of creativity and renewal; and how they give expression to the values, perceptions and aspirations of cultures. The book is organised into sections on the socio-cultural background and historical origins of the literatures; patterns of migration and settlement in East Africa; styles in Indian literature as preserved in East Africa, common symbols, images and figures of speech; the role of the artist in literary production; and performance of oral literature. The authors further provide and discuss narratives from many genres: e.g. myths, legends, animal tales, moral stories; tales of wisdom and wit; riddles, proverbs and songs. Many passages appear in the original languages, transcribed from primary sources - in particular Gujerati; also Sindhi, Punjabi, Cutchi, Hindi, Kondani - as well as in English translation.

Parents 2005

Poems from East Africa David Cook 1996 The spirit of the poetic flowering of the 1960s is encapsulated in this comprehensive anthology. The collection gives voice to some fifty poets from Kenya, Uganda and Zambia, writing in English. The diversity of the interests and styles of the individual poets is illustrated: a blend of the gentle lyricism that is a feature of East African writing. All the major poets are included, and many not so well known. Amongst the best known are Jared Angira, Jonathan Kariara, Joseph Kariuki, Taban Lo Liyong, Okot p'Bitek, and David Rubadiri - one of the editors.

Cambridge IGCSE First Language English Coursebook with Free Digital Content Marian Cox 2014-07-10 Up-to-date resources providing full coverage of Cambridge IGCSE First Language English (0500 and 0522) for first examination in 2015. The African Book Publishing Record 1992

The Caucasian Chalk Circle Bertolt Brecht 2021-03-25 Brecht projects an ancient Chinese story onto a realistic setting in Soviet Georgia. In a theme that echoes the Judgment of Solomon, two women argue over the possession of a child. Thanks to the unruly judge, Azdak (one of Brecht's most vivid creations) natural justice is done and the peasant Grusha keeps the child she loves, even though she is not its mother. Written while Brecht was in exile in the United States during the Second World War, The Caucasian Chalk Circle is a politically charged, much-revived and complex example of Brecht's epic theatre. This new Student Edition contains introductory commentary and notes by Kristopher Imbriggota from the University of Puget Sound, US, offering a much-needed contemporary perspective on the play. The introduction covers: - narrative structure: play about a play within a play ("circle") - songs and music - justice and social systems - context: Brecht, exile, WWII, socialism - notions of collective and class - fable and story adaptation, folk fairy tale

Examination Questions and Answers in Basic Anatomy and Physiology Martin Caon 2016-10-11 This book provides two thousand multiple choice questions on human anatomy and physiology, separated into 40 categories. The answer to each question is accompanied by an explanation. Each category has an introduction to set the scene for the

questions to come. However not all possible information is provided within these Introductions, so an Anatomy and Physiology textbook is an indispensable aid to understanding the answers. The questions have been used in examinations for undergraduate introductory courses and as such reflect the focus of these particular courses and are pitched at the level to challenge students that are beginning their training in anatomy and physiology. The questions and answer combinations are to be used both by teachers, to select questions for their next examinations, and by students, when studying for an upcoming test. Students enrolled in the courses for which these questions were written include nursing, midwifery, paramedic, physiotherapy, occupational therapy, nutrition & dietetics, health sciences and students taking an anatomy and physiology course as an elective.

Betrayal in the City F. D. Imbuga 1987 Betrayal in the City, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: "It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future."--Page 4 of cover.

How to Become a Straight-A Student Cal Newport 2006-12-26 Looking to jumpstart your GPA? Most college students believe that straight A's can be achieved only through cramming and painful all-nighters at the library. But Cal Newport knows that real straight-A students don't study harder—they study smarter. A breakthrough approach to acing academic assignments, from quizzes and exams to essays and papers, How to Become a Straight-A Student reveals for the first time the proven study secrets of real straight-A students across the country and weaves them into a simple, practical system that anyone can master. You will learn how to:

- Streamline and maximize your study time
- Conquer procrastination
- Absorb the material quickly and effectively
- Know which reading assignments are critical—and which are not
- Target the paper topics that wow professors
- Provide A+ answers on exams
- Write stellar prose without the agony

A strategic blueprint for success that promises more free time, more fun, and top-tier results, How to Become a Straight-A Student is the only study guide written by students for students—with the insider knowledge and real-world methods to help you master the college system and rise to the top of the class.

A Doll ?s House Henrik Ibsen 2018-05-23 Reproduction of the original: A Doll ?s House by Henrik Ibsen

The Magic in Your Mind U. S. Andersen 2019-12-25 The Magic in Your Mind teaches the magic by which men become free and begin to grow into the image they are meant to be. A man changes the state of his outer world by first changing the state of his inner world. Everything that comes to him from outside is the result of his own consciousness. By understanding the process and effect of mental imagery, he goes directly along the correct path to his goal. This book reveals a mental magic that guarantees increased achievement and assures success.

Getting Straight A's Gordon W. Green 1993 Discusses basic study skills and suggests methods for taking notes, writing term papers, and preparing for tests

The River and the Source Margaret A. Ogola 1994 In 1995, this novel won both the Jomo Kenyatta Literature Prize, and the Commonwealth Writers Prize Best First Book in the Africa Region. Now reprinted, it remains in great demand. An epic story spanning cultures, it tells the lives of three generations of women. It traces the story of Akoko in her rich traditional Luo setting, through to the children who live and die in the 20th century.
