Plus she's about to get a new baby brother or sister. Could things possibly get any better? But in her heart of hearts, Mia has one wish: an evening spent with Michael in a tux and a corsage on her wrist -- in other words, the PROM. Michael, however, does not seem to share the dream that is the prom. Worse still, a service workers strike (with Grandmère and Lilly at the heart of it and on opposite sides) threatens the very existence of this year's prom. Will the strike end in time? Can Michael be dissuaded from his anti-prom views? Most importantly, will Mia get to wear her pink prom dress?

Fighting for Hope Robert F. Jefferson 2008-11-24 "A rigorously researched, richly etched re-creation of the formation of the all-black Ninety-third Infantry Division, which fought in the Pacific theater." —Journal of American History This fascinating history shows how African-American military men and women seized their dignity through barracks culture and community politics during and after World War II. Drawing on oral testimony, unpublished correspondence, archival records, memoirs, and diaries, Robert F. Jefferson explores the curious contradiction of war-effort idealism and entrenched discrimination through the experiences of the 93rd Infantry Division. Led by white officers and presumably unable to fight—and with the army taking great pains to regulate contact between black soldiers and local women—the division was largely relegated to support roles during the advance on the Philippines, seeing action only later in the war when U.S. officials found it unavoidable. Jefferson discusses racial policy within the War Department, examines the lives and morale of black GIs and their families, documents the debate over the deployment of black troops, and focuses on how the soldiers' wartime experiences reshaped their perspectives on race and citizenship in America. He finds in these men and their families incredible resilience in the face of racism at war and at home and shows how their hopes for the future provided a blueprint for America's postwar civil rights struggles. Integrating social history and civil rights movement studies, *Fighting for Hope* examines the ways in which political meaning and identity were reflected in the aspirations of these black GIs and their role in transforming the face of America. "A marvelous book." —Annals of Iowa

Atlas of Imagined Places Matt Brown 2021-09-28 WINNER, Edward Stanford Travel Writing Awards 2022: Illustrated Travel Book of the Year. From Stephen King's Salem's Lot to the superhero land of Wakanda, from Lilliput of Gulliver's Travels to Springfield in The Simpsons, this is a wondrous atlas of imagined places around the world. Locations from film, tv, literature, myths, comics and video games are plotted in a series of beautiful vintage-looking maps. The maps feature fictional buildings, towns, cities and countries plus mountains and rivers, oceans and seas. Ever wondered where the Bates Motel was based? Or Bedford Falls in It's a Wonderful Life? The authors have taken years to research the likely geography of thousands of popular culture locations that have become almost real to us. Sometimes these are easy to work out, but other times a bit of detective work is needed and the authors have been those detectives. By looking at the maps, you'll find that the revolution at Animal Farm happened next to Winnie the Pooh's home. Each location has an an extended index entry plus coordinates so you can find it on the maps. Illuminating essays accompanying the maps give a great insight into the stories behind the imaginary places, from Harry Potter's wizardry to Stone Age Bedrock in the Flintstones. A stunning map collection of invented geography and topography drawn from the world's imagination. Fascinating and beautiful, this is an essential book for any popular culture fan and map enthusiast.

From the Notebooks of a Middle School Princess Meg Cabot 2015-05-19 Return to the world of Meg Cabot's bestselling and beloved Princess Diaries series in From the Notebooks of a Middle School Princess—this time through the illustrated diary of a spunky new heroine: Princess Mia's long lost half-sister, Olivia! Olivia Grace Clarisse Mignonette Harrison is a completely average twelve-year-old: average height, average weight, average brown hair of average length, average brown skin and average hazel eyes. The only things about her that aren't average are her name (too long and princess themed), her ability to draw animals (useful for her future career as a wildlife illustrator), and the fact that she is a half-orphan who has never met her father and is forced to live with her aunt and uncle (who treat her almost like their own kids, so she doesn't want to complain). Then one completely average day, everything goes wrong: the most popular girl in school, Annabelle Jenkins, threatens to beat her up, the principal gives her a demerit, and she's knocked down at the bus stop . . . Until a limo containing Princess Mia Thermopolis of Genovia pulls up to invite her to New York to finally meet her father, who promptly invites her to come live with him, Mia, Grandmère and her two fabulous poodles . . . Maybe Olivia Grace Clarisse Mignonette Harrison isn't so average after all!

Paris 1919 Margaret MacMillan 2007-12-18 A landmark work of narrative history, Paris 1919 is the first full-scale treatment of the Peace Conference in more than twenty-five years. It offers a scintillating view of those dramatic and fateful days when much of the modern world was sketched out, when countries were created—Iraq, Yugoslavia, Israel—whose troubles haunt us still. Winner of the Samuel Johnson Prize • Winner of the PEN Hessel Tiltman Prize • Winner of the Duff Cooper Prize Between January and July 1919, after “the war to end all wars,” men and women from around the world converged on Paris to shape the peace. Center stage, for the first time in history, was an American president, Woodrow Wilson, who with his Fourteen Points seemed to promise to so many people the fulfillment of their dreams. Stern, intransigent, impatient when it came to security concerns and wildly idealistic in his dream of a League of Nations that would resolve all future conflict peacefully, Wilson is only one of the larger-than-life characters who fill the pages of this extraordinary book. David Lloyd George, the gregarious and wily British prime minister, brought Winston Churchill and John Maynard Keynes. Lawrence of Arabia joined the Arab delegation. Ho Chi Minh, a kitchen assistant at the Ritz, submitted a petition for an independent Vietnam. For six months, Paris was effectively the center of the world as the peacemakers carved up bankrupt empires and created new countries. This book brings to life the personalities, ideals, and prejudices of the men who shaped the settlement. They pushed Russia to the sidelines, alienated China, and dismissed the Arabs. They struggled with the problems of Kosovo, of the Kurds, and of a homeland for the Jews. The peacemakers, so it has been said, failed dismally; above all they failed to prevent another war. Margaret MacMillan argues that they have unfairly been made the scapegoats for the mistakes of those who came later. She refutes received ideas about the path from Versailles to World War II and debunks the widely accepted notion that reparations imposed on the Germans were in large part responsible for the Second World War. Praise for Paris 1919 “It’s easy to get into a war, but ending it is a more arduous matter. It was never more so than in 1919, at the Paris Conference. . . . This is an enthralling book: detailed, fair, unfailingly lively. Professor MacMillan has that essential quality of the historian, a narrative gift.” —Allan Massie, *The Daily Telegraph* (London)

My Trip Down the Pink Carpet Leslie Jordan 2008-06-03 A hilarious romp from small-town USA to the pink carpet of Hollywood with the beloved Emmy Award-winning actor, playwright, popular and laugh-out-loud funny Instagram icon, and gay legend. Leslie Jordan is a small man with a giant propensity for scene stealing. Best known for his bravura recurring role as Karen's nemesis, Beverley Leslie, on *Will & Grace* (for which he won a Best Guest Actor in a Comedy Series Emmy in 2006), he has also made memorable appearances on *Ally McBeal*, *Boston Public*, *Monk*, and *Murphy Brown*. Raised in a conservative family in Chattanooga, Tennessee, Leslie—who describes himself as “the gayest man I know”—boarded a Greyhound bus bound for LA with \$1,200 sewn into his underpants and never looked back. His pocket-sized physique and inescapable talent for high camp paved the way to a lucrative and varied career in commercials and on television. Along the way he immersed himself in writing for the stage, and his one-man testimonials have become cult off-Broadway hits. But with success came dangerous temptations: a self-proclaimed former substance abuser and sexaholic, Leslie has spent time in jail and struggled to overcome his addictions and self-loathing. *My Trip Down the Pink Carpet* is a rollicking, fast-paced collection of stories, served up with wit, panache, and plenty of biting asides. Filled with comically overwrought childhood agonies, offbeat observations, and revealing celebrity encounters—from Boy George to George Clooney—it delivers a fresh, laugh-out-loud take on Hollywood, fame, addiction, gay culture, and learning to love oneself.

In the Wake of Madness Joan Druett 2004-01-04 The true story of one of history's most notorious mutinies is revealed in this riveting “nautical murder mystery” (*USA Today*). In May 1841, the Massachusetts whaleship *Sharon* set out for the whaling ground of the northwestern Pacific. A year later, while most of the crew was out hunting, Capt. Howes Norris was brutally murdered. When the men in the whaleboats returned to the ship, they found four crew members on board, three of whom were covered in blood, the other screaming from atop the mast. Single-handedly, the third officer launched a surprise attack to recapture the *Sharon*, killing two of the attackers and subduing the other. An American investigation into the murder was never conducted—even when the *Sharon* returned home three years later, with only four of the original twenty-nine-man crew on board. Now, an award-winning maritime historian dramatically re-creates the mystery of the ill-fated whaleship—and reveals a voyage filled with savagery under the command of one of the most ruthless captains to sail the high seas. “When the American whaleship *Sharon* arrived at Sydney in December 1842, the world first heard of the shocking murder of the captain by several Pacific island natives serving on the crew. Chalking it up to the savage nature of the islanders, no one bothered to investigate. Druett, a widely published maritime historian, retells the familiar story of how the mutineers were overcome but delves deeper into the details of the infamous expedition . . . Druett's account of the incident will appeal to those looking for a good drama, but also to those analytically minded skeptics inclined to ask questions and dig below the surface.” —Booklist “Shocking and very satisfying.” —Richard Zack, author of *The Pirate Hunter*
