Ranging from flash fiction to intense psychological drama, magical realism, horror and erotica, these strange, clever, frank and sometimes very funny stories have a serious side too. Carefully crafted over 15 years, they explore unbounded sexualities, a vision of the fluidity of the person, and politics - from the deaths of black people at the hands of the police, to the deep shifts that signal the subtle changes in the nature of capitalism and much more. These stories may sometimes tickle, sometimes shock; but will always engage both the intellect and the heart.

Best of Best Women's Erotica 2 Violet Blue 2010-02-09 Lovingly handpicked by Violet Blue, these stories are erotic gems, polished to perfection by an expert in erotica. The Best of Women's Erotica 2 is wildly sexy, super smart, and, highly readable. What makes an erotic story "best?" It has that something extra, and a good plot and characters that truly interest you and commands your interest during their trysts, triumphs, and erotic adventures. In the editor's own words, " The result of taking all five years' final selections, over one hundred stories, and choosing the very best--the ones I couldn't ever get out of my head, the ones that turned me (and others) on almost dangerously fast, like a match to gasoline--was worth the wait." Steamy encounters include Adrie Santos' nervy, cautious "Paid for the Pleasure," which scratches more than one itch as a girl decides to let a man pay her--to receive oral sex. And, just when you think you have gender play all wrapped up in a nice and tidy bow, Lee Cairney's "Cruising" takes you trolling with

a lesbian late at night in a park where she doesn't belong. What happens to her anonymously in public is as surprising as it is incendiary. Meanwhile, across town, Scarlett French is looking out her "Rear Window," watching her male neighbor and his trick provide full, explicit service for her to enjoy. These are just a few of the carnal classics in this best and boldest of all women's erotica.

EcoErotica Selena Kitt 2008-11 Mother Earth is one hot sexy Mama and in this tribute to nature and the environment, Selena Kitt pays homage to her beauty, her grandeur and her conservation. Who else could tackle topics like global warming, strip mining, animal endangerment & environmental toxicity, while making it hot, hot, hot? This anthology includes six sexy and environmentally provocative stories that will rock your world.

With the year ending, he ought to figure out why he'd saved her—and why he keeps doing it. Following an unlucky year, Hannah needs a week's holiday in a lodge to unwind. Best Erotic Fantasy & Science Fiction Cecilia Tan 2010-05-31 A compilation of the very best speculative erotica our editors could find. When Cecilia Tan founded Circlet Press in 1992, The house was one of the only places where readers who enjoyed a mixture of erotica with fantasy or science fiction could get their fix. Since then, paranormal romance has taken off to become the bestselling romance subgenre (Sherrilyn Kenyon) and even futuristic settings have taken hold in steamy romance (J. D. Robb), while the mainstream of science fiction and fantasy have moved in an ever-more erotic direction (Catherine Asaro, Jacqueline Carey). Circlet Press is still the place to go For The very best in erotic fantasy, As we cherry-picked the stories for this hot collection from among all the nominations we received. Praise for "Best Fantastic Erotica" (a previous Circlet publication): "Tan

(Sex in the System) presents the top stories from Circlet's Best Fantastic Erotica contest in an anthology that runs the gamut from sensual SF to surreal fantasy. Arinn Dembo's Monsoon [is] the deserving prize winner." -- Publishers Weekly "Circlet Press is a premier publisher of erotic literature and its publisher, Cecilia Tan, is an expert in all aspects and segments of this specialized literary genre. Her newest publication is "Best Fantastic Erotica"... The carefully crafted, deftly executed, imaginatively original, and memorably entertaining stories range [widely]. "Best Fantastic Erotica" is an impressive and superbly produced volume that is enthusiastically and confidently recommended for readers of sophistication who appreciate an erotic element infused with seminal stories of science fiction and fantasy." -- Midwest Book Review

Andy grows up poor in Philadelphia with a single mom and a rare talent that will let him become one of the

best runners of his generation. Over the course of three decades, through high school and college, marriages and divorces, from the pinnacles of victory and the heartbreak of defeat, Andy and Rachel will find each other again and again, until they are finally given a chance to decide whether love can surmount difference and distance and if they've been running toward each other all along. With honesty, wit, and clear-eyed observations about men and women, love and fate, and the truth about happy endings, Jennifer Weiner delivers two of her most memorable characters, and a love story you'll never forget.

Delta Of Venus Anais Nin 2004-02-02 From influential feminist artist and essayist Anais Nin, Delta of Venus is one of the most important works of modern female erotica and "a joyous display of the erotic imagination" (The New York Times Book Review). Anais Nin pens a lush, magical world where the characters of her imagination possess the most universal of desires and exceptional of talents. Among these provocative stories, a Hungarian adventurer seduces wealthy women then vanishes with their money; a veiled woman selects strangers from a chic restaurant for private trysts; and a Parisian hatmaker named Mathilde leaves her husband for the opium dens of Peru. This is an extraordinarily rich and exotic collection from a master of erotic writing. "Inventive, sophisticated . . . highly

elegant naughtiness."—Cosmopolitan

Erotic Book Sheldon Filger 2006 Imagine spending your whole life searching for the one; searching for acceptance; searching for just a hint of satisfaction. Imagine walking through life alone, confused, and convinced you will never find what it is your heart desires. Jared Covington is such a man in search of all things life has promised, but has not delivered. *I'm On My Way* is a passionate tale of a sometimes bitter, sometimes angry, but always hopeful young man and his search to uncover the love of his life and in the process, himself. In terse, fluid prose, David paints three-dimensional portraits of each of his main characters. Set against the backdrop of New York City, the book addresses critical issues surrounding being black, gay and at times closeted in America without sounding preachy. David's high quality of writing, and carefully developed themes seamlessly takes us into the hearts and minds of several young men sorting through some of life's most pressing issues. This engrossing debut, challenges stereotypes, emits hope, and brings to life the often-misunderstood world of gay minorities.

Blood Surrender Cecilia Tan 2005-01-01 There is perhaps nothing more erotic than the potent mixture of danger, darkness, and desire that the vampire represents. Creatures cursed by lust to walk the night, seeking ever more decadent pleasures, vampires are the ultimate sexual beings. In these stories of carnal pleasure and dark magic, erotic writers such as Thomas S. Roche, Catherine Lundoff, and Allison Lonsdale explore the attraction and seductive power of the dark side. One vampire encounters virgin blood, another finds a willing victim with a blood fetish, and yet another mixes the games of dominance and submission with the eternal game of feeding and sex. Assembled by the editor of over 40 erotica anthologies, *Blood Surrender* presents the most sensual and erotic vampire fiction available.
