Afterburn / Aftershock Sylvia Day 2014-03-11 Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground--but this time, I knew the rules of the game. In the cutthroat business world, one adage rules all: keep your enemies close and your ex-lovers closer...

'Sexy short stories to read in bed' is a tested series of erotic hardcore sex stories for women, men and couples looking for classic easy-to-read erotica and sex stories for women with very explicit sex scenes. Think about it. Don't we all need nice, steamy and sexy short stories that can be read in bed, right before sleeping to finish our day with a little bit of privacy and fun? Or even first thing in the morning to spice up your day, not to mention those long and boring commuting journeys where a little bit of sexy can... Well, you know... 'Sexy short stories to read in bed - A troubling three-way weekend between friendship and love...' is the third volume in the series. In contrast with the first two books, it is made of one single story starring three characters, Anna and her husband Jonathan, as well as Nina their cheeky and sexy friend. The story, however, is cut in several short sex & erotica stories that will make you bite your lips one after another. Perhaps even more... The story of this volume is very easy to explain. Anna and Jonathan are a happily married couple in their late twenties. But Anna has a fantasy which does not merely involve women, it involves inviting one precise girl into her couple, for a real and long-term three-way relationship. After some online chatting and playing sessions, Nina takes a train and comes to visit Anna and Jonathan for a weekend. A very hot and steamy weekend with a little bit of taboo. As per the other book in this series, this short stories book is not about romance. My short stories always build on love, friendship and cheekiness but they go straight to the point and contain very explicit sex scenes. They are written to be read easily and rapidly, in five to ten minutes, again and again. If you are looking for a little bit of selfish sexy fun

Erotic Stories for Punjabi Widows Balli Kaur Jaswal 2017-06-13 Reese Witherspoon's Book Club Pick A lively, sexy, and thought-provoking East-meets-West story about community, friendship, and women's lives at all ages—a spicy and alluring mix of Together Tea and Calendar Girls. Every woman has a secret life . . . Nikki lives in cosmopolitan West London, where she tends bar at the local pub. The daughter of Indian immigrants, she's spent most of her twenty-odd years distancing herself from the traditional Sikh community of her childhood, preferring a more independent (that is, Western) life. When her father's death leaves the family financially strapped, Nikki, a law school dropout, impulsively takes a job teaching a "creative writing" course at the community center in the beating heart of London's close-knit Punjabi community. Because of a miscommunication, the proper Sikh widows who show up are expecting to learn basic English literacy, not the art of short-story writing. When one of the widows finds a book of sexy stories in English and shares it with the class, Nikki realizes that beneath their white dupattas, her students have a wealth of fantasies and memories. Eager to liberate these modest women, she teaches them how to express their untold stories, unleashing creativity of the most unexpected—and exciting—kind. As more women are drawn to the class, Nikki warns her students to keep their work secret from the Brotherhood, a group of highly conservative young men who have appointed themselves the community's "moral police." But when the widows' gossip offers shocking insights into the death of a young wife—a modern woman like Nikki—and some of the class erotica is shared among friends, it sparks a scandal that threatens them all.

When Cecilia Tan founded Circler Press in 1992, The house was one of the only places where readers who enjoyed a mixture of erotica with fantasy or science fiction could get their fix. Since then, paranormal romance has taken off to become the bestselling romance subgenre (Sherrilyn Kenyon) and even futuristic settings have taken hold in steamy romance (J. D. Robb), while the mainstream of science fiction and fantasy have moved in an ever-more erotic direction (Catherine Asaro, Jacqueline Carey). Circler Press is still the place to go For The very best in erotic fantasy. As we cherry-picked the stories for this hot collection from among all the nominations we received. Praise for "Best Fantastic Erotica" (a previous Circler publication): "Tan (Sex in the System) presents the top stories from Circler's Best Fantastic Erotica contest in an anthology that runs the gamut from sensual SF to surreal fantasy. Erotic Book Sheldon Filger 2006 Imagine spending your whole life searching for the one; searching for acceptance; searching for just a hint of satisfaction. Imagine walking through life alone, confused, and convinced you will never find what it is your heart desires. Jared Covington is such a man in search of all things life has promised, but has not delivered. I'm On My Way is a passionate tale of a sometimes bitter, sometimes angry, but always hopeful young man and his search to undercover the love of his life and in the process, himself. In terse, fluid prose, David paints three-dimensional portraits of each of his main characters. Set against the backdrop of New York City, the book addresses critical issues surrounding being black, gay and at times closeted in America without sounding preachy. David's high quality of writing, and carefully developed themes seamlessly takes us into the hearts and minds of several young men sorting through some of life's most pressing issues. This engrossing debut, challenges stereotypes, emits hope, and brings to life the often-misunderstood world of gay minorities.
