Now, nearly a decade later, Alex and Grayson are long over and twenty-two-year-old Lia has finally managed to forget all those lonely nights she spent pining after her sister's boyfriend. But when Grayson unexpectedly arrives back in town with Alex for Labor Day weekend and the two announce that they're not only back together but engaged, all the feelings that Lia buried suddenly come bubbling back to the surface. But Lia is no longer the awkward, gangly tomboy she was at fourteen. Far from it. And Grayson is conflicted by the lustful thoughts he's now having for her. He knows he could never act on those thoughts, however. Grayson has always prided himself on being one of the "good guys." But as the weekend wears on, he's finding this new grown-up version of Lia more and more impossible to resist.

He has a career he loves, and up until six weeks ago, he lived a comfortable life. When a new neighbor moves in and disturbs the quiet peace of the area, bringing with her a daughter who's walking trouble, Ryan is shocked to discover that the woman is a one-night stand he picked up at a bar years ago. Right now, the gorgeous Jenny isn't too interested in making friends, but despite her cool façade, as Ryan gets to know her, he can't fight an idiotic need to try to ease the pain he sees her trying to hide. At the same time, he knows deep down that both mother and daughter have a secret, and if he were smart, he would listen to his brother's warning and walk away. When Alison goes missing, everyone in town believes she simply ran off or found her way into trouble, but nothing about her disappearance adds up. She simply set out on an afternoon hike into the park and never came back. Jenny soon learns she's not alone when Ryan takes matters into his own hands and sets off with her into the park to find her daughter. What he doesn't know is that Alison is actually his daughter, too, and when he learns the truth and the real reason she left, the secret could end up dividing the O'Connell family.

Look for special features inside. Join the Random House Reader's Circle for author chats and more. Oxford lecturer Diana Morgan is an expert on Greek mythology. Her obsession with the Amazons started in childhood when her eccentric grandmother claimed to be one herself—before vanishing without a trace. Diana's colleagues shake their heads at her Amazon fixation. But then a mysterious, well-financed foundation makes Diana an offer she cannot refuse. Traveling to North Africa, Diana teams up with Nick Barran, an enigmatic Middle Eastern guide, and begins deciphering an unusual inscription on the wall of a recently unearthed temple. There she discovers the name of the first Amazon queen, Myrina, who crossed the Mediterranean in a heroic attempt to liberate her kidnapped sisters from Greek pirates, only to become embroiled in the most famous conflict of the ancient world—the Trojan War. Taking their cue from the inscription, Diana and Nick set out to find the fabled treasure that Myrina and her Amazon sisters salvaged from the embattled city of Troy so long ago. Diana doesn't know the nature of the treasure, but she does know that someone is shadowing her, and that Nick has a sinister agenda of his own. With danger lurking at every turn, and unsure of whom to trust, Diana finds herself on a daring and dangerous quest for truth that will forever change her world. I said no to playing football professionally to stay in Laurel Springs and fulfill my dream. I'm biding my time, paying my dues, and soaking up any bit of information my fellow MTF members slip my way. To most of them I'm the kid they watched grow up, and while they're proud of me, they don't take me seriously.Life is status quo until the morning all hell breaks loose in our small town threatening everyone I know and love - including the one woman I can't get out of my head.Ruby Carson"My favorite place? In his arms....."Caleb saved me from the worst date of my life, swooping in like the fixer he is. Smiling his panty-melting grin, he grabbed my hand, and extricated me from the longest ninety minutes known in the history of the world. Instead, he took me on the best date I've ever had. We've been inseparable since that crazy night.It hasn't been picture-perfect. His job is dangerous, it worries me, even when he tells me not to. One gorgeous summer day, it all comes crashing down on us.The man who has my heart is in the middle of a FUBAR situation that has no good ending. My hope is, when the smoke clears Caleb walking towards me, arms out-stretched, with that grin on his face, before he envelops my body into the hug only he can give.That's what would happen in a perfect world - but I've never known a perfect world - not even with Caleb.....
