Uncovering the Logic of English: A Common-Sense Solution to America's Literacy Crisis Denise Eide 2011-01-27 "English is so illogical!" It is generally believed that English is a language of exceptions. For many, learning to spell and read is frustrating. For some, it is impossible... especially for the 29% of Americans who are functionally illiterate. But what if the problem is not the language itself, but the rules we were taught? What if we could see the complexity of English as a powerful tool rather than a hindrance? --Denise Eide Uncovering the Logic of English challenges the notion that English is illogical by systematically explaining English spelling and answering questions like "Why is there a silent final E in have, large, and house?" and "Why is discussion spelled with -sion rather than -tion?" With easy-to-read examples and anecdotes, this book describes: - the phonograms and spelling rules which explain 98% of English words - how English words are formed and how this knowledge can revolutionize vocabulary development - how understanding the reasons behind English spelling prevents students from needing to guess The author's inspiring commentary makes a compelling case that understanding the logic of English could transform literacy education and help solve America's literacy crisis. Thorough and filled with the latest linguistic and reading research, Uncovering the Logic of English demonstrates why this systematic approach should be as foundational to our education as 1+1=2.

Level 7 Kit Shurley Instructional Materials, Incorporated 1995-01 This kit contains all the materials needed to teach one child for an entire year. It contains a teacher's manual, student textbook, and introductory CD. The teacher's manual is the heart of the program at every level. Each lesson in the manual begins with a planning box, which contains lesson objectives. Scripted lessons provide you with the exact words for the Question & Answer Flows, questioning strategies, and the teaching techniques that make this program consistent for all grade levels. The script is especially helpful for parents who are new to homeschooling or are new to Shurley English. The Teacher's Manual is set up in chapters. There are five lessons in each chapter, and each chapter can be finished in one week. Each lesson takes approximately twenty to forty-five minutes to complete. Grammar, language skills, and writing are taught in each chapter. The pages in the student textbook will give your child a visual aid as he or she is learning new skills. Your child can use his or her pages as a reference for information about concepts that have been taught. This will be helpful as your child completes skill tests, application tests, and writing assignments. The introductory CD provides the jingles and the Question & Answer Flows for the Introductory Sentences. It may be used to demonstrate jingles and Question & Answer Flows to children, or it may be used as a resource for the parents. Grade 7.

Zaner-Bloser Handwriting 2020 "Handwriting is proven to develop fine motor skills and eye-hand connection, strengthening the ability to translate ideas into words. In fact, it equips students to write and read more efficiently than reading and instruction alone. So when it comes time to assess students' yearly progress, it's not just about reading (or math, or science). It's about preparing confident communicators equipped with cross-disciplinary skills that translate directly to demonstrating proficiency on standardized tests. Zaner-Bloser Handwriting has been carefully designed to support the Texas Essential Knowledge and Skills (TEKS) standards for handwriting. References to the TEKS appear throughout the Student and Teacher Editions."--Page v.

Studies in World History Volume 1 (Student) James P. Stobaugh 2014-02-01 Creation Through the age of Discovery (6000 BC to AD 1500) Chronologically based, but focused more on skill development Meant to be a 20 to 30 minute experience every day World history is combined with social studies in a one-year course. The Jr. High School student will see history come to life no matter what their pace or ability. Developed by Dr. James Stobaugh, the courses grow in difficulty with each year, preparing students for high school work. This is a comprehensive examination of history, geography, economics, and government systems. This educational set equips students to learn from a starting point of God's creation of the world and move forward with a solid biblically-based worldview. Volume I Covers - The Fertile Crescent, Egypt, India, China, Japan, Greece, Christian history, and more.

It contains a teacher's manual, student workbook, and introductory cd. The teacher's manual is the heart of the program at every level. Each lesson in the manual begins with a planning box, which contains lesson objectives. Scripted lessons provide you with the exact words for the Question & Answer Flows, questioning strategies, and the teaching techniques that make this program consistent for all grade levels. The script is especially helpful for parents who are new to homeschooling or are new to Shurley English. The Teacher's Manual is set up in chapters. There are five lessons in each chapter, and each chapter can be finished in one week. Each lesson takes approximately twenty to forty-five minutes to complete. Grammar, language skills, and writing are taught in each chapter. Most student workbooks contain a Jingle Section, a Reference Section, a Practice Section, and a Test Section. The Jingle Section contains all the jingles. The Reference Section includes vocabulary words, guided practices, samples, guidelines, and charts. The Practice Section provides extra practice on the various skills taught before the skills are tested. The Test Section contains the tests for each chapter. Each test is divided into four basic areas: grammar, vocabulary, language skills, and a summary of things learned for the week. Shurley English places special emphasis on parent-child interaction and participation. The introductory CD provides the jingles and the Question & Answer Flows for the Introductory Sentences. It may be used to demonstrate jingles and Question & Answer Flows to children, or it may be used as a resource for the parents. Grade 6.

Our Mother Tongue Nancy Wilson 2019 "The importance of the spoken and written word in Christian culture cannot be overestimated. In this English grammar guide, Nancy Wilson surveys the major concepts in English grammar for beginners at the late elementary and junior high level, or even adults seeking a brush-up. Our Mother Tongue dishes up examples and exercises that go beyond the stereotypical, contrived sentences serving merely to illustrate a point, and relies on selections from Scripture and great English literature to instruct students with regard to content, style, and structure."--
