The Skin Map Stephen R Lawhead 2013-03-22 Set in 17th century and 21st century London, the Enlightenment-era court of the Hapsburgs, China during the Qing Dynasty and ancient Egypt, Bright Empires is a five-volume fantasy. In The Skin Map, Kit Livingstone and his great-grandfather, Cosimo, are brought together to find a map originally tattooed on the skin of its author, a seventeenth-century explorer who had discovered the secret of access to other worlds and parallel universes. Malign forces are also after the map and, to the surprise of all, the map proves to be not the end of the quest but its beginning. A far greater prize remains, and a much more dangerous search will need to be undertaken.

The Bright Empires Collection Stephen Lawhead 2015-03-10 Stephen R. Lawhead's acclaimed Bright Empires series—now available in one volume! The Skin Map It is the ultimate quest for the ultimate treasure. Chasing a map tattooed on human skin. Across an omniverse of intersecting realities. To unravel the future of the future. The Bone House Kit Livingstone met his great-grandfather Cosimo in a rainy alley in London where he discovered the truth about alternate realities. Now he's on the run—and

on a quest—trying to understand the impossible mission he inherited from Cosimo: to restore a map that charts the hidden dimensions of the multiverse. Survival depends on staying one step ahead of the savage Burley Men. The Spirit Well The Search for the Map—and the secret behind its cryptic code—intensifies in a quest across time, space, and multiple realities. The Shadow Lamp The quest for answers—and ultimate survival—hinges on finding the cosmic link between the Skin Map, the Shadow Lamp, and the Spirit Well. The Fatal Tree It started with small, seemingly insignificant wrinkles in time: A busy bridge suddenly disappears, spilling cars into the sea. A beast from another realm roams modern streets. Napoleon’s army appears in 1930s Damascus ready for battle. But that’s only the beginning as entire realities collide and collapse.

The Power That Preserves Stephen R. Donaldson 1997-06-01 Twice before, Thomas Covenant had been summoned to the Land, the strange other-world where magic worked.

Bright We Burn Kiersten White 2019-05-07 To build the country she wants, Lada, the brutal ruler of Wallachia, must destroy everything that came before, including her relationships with brother Radu and former love Mehmed, Sultan of the Ottoman Empire.

Revenger Alastair Reynolds 2016-09-20 Revenger is a rocket-fueled tale of space pirates, buried treasure, and phantom weapons, of unspeakable hazards and single-minded heroism. . . and of vengeance. . . Adrana and Fura Ness are the newest crew members of the legendary Captain Rackamore's ship, using their mysterious powers as Bone Readers to find clues about their next score. But there might be more waiting for them in space than adventure and fortune: the fabled and feared Bosa Sennen, in particular. The galaxy is filled with treasures. . . if you have the courage to find them.

The Bone House Steve Lawhead 2012-05 Kit Livingstone is on the run, hunted by the Burley Men, as he tries to piece together a map that reveals the hidden dimensions of the multiverse. Kit, however, is not the only one traveling through time and space to influence the future of the future.

Dead of Winter Stephen Mack Jones 2021-05-04 A shadowy Detroit real estate billionaire. A ruthless fixer. A successful Mexicantown family business in their crosshairs. Gentrification has never been bloodier. Authentico Foods Inc. has been a part of Detroit’s Mexicantown for over thirty years, grown from a home kitchen business to a city block–long facility that supplies Mexican tortillas to restaurants throughout the Midwest. Detroit ex-cop and Mexicantown native August Snow has been invited for a business meeting at Authentico Foods. Its owner, Ronaldo Ochoa, is dying, and is being blackmailed into selling the company to an anonymous entity. Worried about his employees, Ochoa wants August to buy it. August has no interest in running a tortilla empire, but he does want to know who’s threatening his neighborhood. Quickly, his investigation takes a devastating turn and he and his loved ones find themselves ensnared in a dangerous net of ruthless billionaire developers. August Snow must fight not only for his life, but for the soul of Mexicantown itself.

The Briar King Greg Keyes 2008-12-24 “A wonderful tale . . . It crackles with suspense and excitement from start to finish.”—Terry Brooks Two thousand years ago, the Born Queen defeated the Skasloi lords, freeing humans from the bitter yoke

of slavery. But now monstrous creatures roam the land—and destinies become inextricably entangled in a drama of power and seduction. The king's woodsman, a rebellious girl, a young priest, a roguish adventurer, and a young man made suddenly into a knight—all face malevolent forces that shake the foundations of the kingdom, even as the Briar King, legendary harbinger of death, awakens from his slumber. At the heart of this many-layered tale is Anne Dare, youngest daughter of the royal family . . . upon whom the fate of her world may depend. Praise for *The Briar King* “Starts off with a bang, spinning a snare of terse imagery and compelling characters that grips tightly and never lets up. . . . A graceful, artful tale from a master storyteller.”—Elizabeth Haydon, bestselling author of *Prophecy: Child of Earth* “The characters in *The Briar King* absolutely brim with life. . . . Keyes hooked me from the first page, and I'll now be eagerly anticipating sitting down with each future volume of the *Kingdoms of Thorn and Bone* series.”—Charles de Lint, award-winning author of *Forests of the Heart* and *The Onion Girl* “A thrill ride to the end, with plenty of treachery, revelation, and even a few bombshell surprises.”—*Monroe News-Star* (LA)

The Black Rood Steve Lawhead 2001-05-29 A second volume in the exciting Celtic Crusades series finds the aging warrior Murdo and his family living in Scotland, where they become involved in a dangerous quest in search of a piece of the True Cross. Reprint.

Murder Incorporated: Empire, Genocide, and Manifest Destiny Mumia Abu-Jamal 2018-02-06 This book strives to set the record straight, to educate, to enlighten and to enliven the people against the corruptions of empire--corruptions that stretch from Columbus's first steps on Hispaniola through yesterday's murderous drone attack. The prevailing myth is that America's prized possessions and greatest exports are democracy and the dream of freedom. The naked truth, say Abu-Jamal and Vittoria, is that the American dream is illusory and America's greatest export is in fact murder - and that along the way to the kill, it thieves, suppresses, and tyrannizes. More than a history book, this is a lively, irreverent, and spirited alternative to the orthodoxy of American exceptionalism.

The Fatal Tree Stephen Lawhead 2014-11-11 Kit stared at his fellow questors. “Is this it . . . the End of Everything?” It started with small, seemingly insignificant wrinkles in time: A busy bridge suddenly disappears, spilling cars into the sea. A beast from another realm roams modern streets. Napoleon's army appears in 1930s Damascus ready for battle. But that's only the beginning as entire realities collide and collapse. The questors are spread throughout the universe. Mina is stuck on a plain of solid ice, her only companion an angry cave lion. Tony and Gianni are monitoring the cataclysmic reversal of the cosmic expansion—but coming up short on answers. And Burleigh is languishing in a dreary underground dungeon—his only hope of survival the very man he tried to murder. Kit and Cass are back in the Stone Age trying to reach the Spirit Well. But an enormous yew tree has grown over the portal, effectively cutting off any chance of return. Unless someone can find a solution—and fast—all Creation will be destroyed in the universal apocalypse known as *The End of Everything*. In this final volume of the fantastic *Bright Empires* series, Stephen R. Lawhead brings this multi-stranded tale to a stunning and immensely satisfying conclusion. “In the sweeping style of George R. R. Martin and J. R. Tolkien, Lawhead has created a diverse universe and rich

cast of characters. Multiple story lines weave to form a satisfying ending to this mythological speculative series.” —Library Journal

The Endless Knot Stephen Lawhead 2010-08-22 Book three in an epic historical fantasy series that blurs the lines between this world and the Otherworld. Fires rage in Albion: strange, hidden fires, dark-flamed, invisible to the eye. Llew Silver Hand is High King of Albion, but now the Brazen Man has defied his sovereignty and Llew must journey to the Foul Land to redeem his greatest treasure. The last battle begins, and the myths, passions, and heroism of an ancient people come to life as Llew faces his greatest test yet. The ancient Celts admitted no separation between this world and the Otherworld: the two were delicately interwoven, each dependent on the other. The Endless Knot crosses the thin places between this work and that, as Lewis Gillies begins his ultimate quest, striking the final resounding chord in the Song of Albion. Part of The Song of Albion trilogy: Book One: The Paradise War Book Two: The Silver Hand Book Three: The Endless Knot Epic historical fantasy Book length: 135,000 words Includes additional insights from the author in “Albion Forever!” and an interview

Crush Richard Siken 2019-10-22 This collection about obsession and love is the 99th volume of the Yale Series of Younger Poets Richard Siken's Crush, selected as the 2004 winner of the Yale Younger Poets prize, is a powerful collection of poems driven by obsession and love. Siken writes with ferocity, and his reader hurtles unstoppably with him. His poetry is confessional, gay, savage, and charged with violent eroticism. In the world of American poetry, Siken's voice is striking.

The Bone House Stephen R Lawhead 2013-03-22 Kit Livingstone has been bequeathed by his great grandfather, Cosimo, an apparently impossible task: to piece together a 17th-century map whose fragments are scattered not just throughout this universe but other universes too. One piece of the skin map has been found. Now the race to unravel the future of the future turns deadly. Aided by his girlfriend, Mina, from her outpost in seventeenth-century Prague, Kit begins to make progress but realises that opponents, in the shape of the Burley Men, are equally determined to capture the map, and they have a crucial

advantage: the ability to manipulate the will of historical figures for their own ends. Across time and space, through manifest and hidden worlds, those who know how to use ley lines to travel through astral planes have left their own world behind in this, the second quest: to unlock the mystery of The Bone House.

Dream Thief Stephen R. Lawhead 1996 Dr. Spencer Reston, a scientist doing dream research aboard the space station, Gotham, begins having unexplained blackouts and concludes that someone is deliberately tampering with his mind

Bronze Summer Stephen Baxter 2012-11-06 Stephen Baxter's "imaginative [and] bold" (Daily Mail, UK) Stone Spring drew readers into an alternate prehistoric scenario. Now, thousands of years have passed, and a wall that was built to hold back the sea must now hold back the advancing armies of a reviving Troy.... Created by the building of the Wall, Northland has become a society of prosperous, literate, and self-sufficient people. Inhabited from end to end, the Wall is a linear city stretching for hundreds of miles, and a wonder of the world. For millennia, the Wall has also kept the growing empires of the Bronze Age at bay. But a new and turbulent age is dawning. For any wall, no matter how strong, can be breached—particularly from within....

The Shadow Lamp Stephen Lawhead 2013-09-10 The quest for answers—and ultimate survival—hinges on finding the cosmic link between the Skin Map, the Shadow Lamp, and the Spirit Well. The search for the map of blue symbols began in a rainy alley in London but has since expanded through space and time and includes more seekers. Kit, Mina, Gianni, Cass, Haven, and Giles have gathered in Mina's 16th-century coffee house and are united in their determination to find a path back to the Spirit Well. Yet, with their shadow lamps destroyed and key pieces of the map still missing, the journey will be far more difficult than they imagine. And when one of their own disappears with Sir Henry's cryptic Green Book, they no longer know who to trust. At the same time, the Zetetic Society has uncovered a terrifying secret which, if proven, will rock the very foundations of Creation. The quest for answers is no longer limited to recovering an unknown treasure. The fate of the universe depends on unraveling the riddle of the Skin Map. "Anything but ordinary . . . Dynamic settings are mixed with unpredictable adventures [and] parallel worlds." —BookPage review of The Skin Map

The Paradise War Stephen Lawhead 2010-08-22 Experience the dazzling brilliance of a world like ours—yet infinitely bolder and brighter: a place of kings and warriors, bards and battles, feats of glory and honour. It is a place you will forever wish to be. It is Albion. "When I opened my eyes, I was no longer in the world I knew." Lewis Gillies is an American graduate student in Oxford who should be getting on with his life. Yet for some reason, he finds himself speeding north with his roommate Simon on a lark—half-heartedly searching for a long-extinct creature allegedly spotted in a misty glen in Scotland. Expecting little more than a weekend diversion, Lewis accidentally crosses through a mystical gateway where two worlds meet: into the time-between-times, as the ancient Celts called it. And into the heart of a collision between good and evil that's been raging since long before Lewis was born. First published more than twenty years ago, The Song of Albion Trilogy has become a modern classic that continues to attract passionate new readers. Part of The Song of Albion trilogy: Book One: The Paradise War Book Two: The Silver Hand Book Three: The Endless Knot Epic historical fantasy Book length: 138,000 words Includes additional insights from the author in

The Book of Lost Things John Connolly 2006-11-07 Taking refuge in fairy tales after the loss of his mother, twelve-year-old David finds himself violently propelled into an imaginary land in which the boundaries of fantasy and reality are disturbingly melded. By the author of *The Black Angel*. 75,000 first printing.

The Aztec Treasure House Evan S. Connell 2003 [The author's] portraits of visionaries and eccentrics are, in the words of the critic Grover Sales, "celebrations of man's insatiable drive to probe unknown frontiers [that] read like superb novels." His subjects are people of passion and purpose, events of legend and desire. He offers stories of the Anasazi Indians, the "old ones" of the southwestern desert; of the grand explorers Marco Polo, Columbus, El Dorado, Magellan, Ibn Batuta; and of heretics, fanatics, scientists, cranks and geniuses. There are tales of fabulous advances made in anthropology, archaeology, astronomy and linguistics. In all, twenty essays appear in [this book].-<http://www.counterpointpress.com>

To the Lighthouse Virginia Woolf 2021-06-24 Described by Virginia Woolf herself as ‘easily the best of my books’, and by her husband Leonard as a ‘masterpiece’, *To the Lighthouse*, first published in 1927, is one of the milestones of Modernism. Set on the Isle of Skye, over a decade spanning the First World War, the narrative centres on the Ramsay family, and is framed by Mrs Ramsay’s promise to take a trip to the lighthouse the next day – a promise which isn’t to be fulfilled for a decade. Flowing from character to character and from year to year, the novel paints a moving portrait of love, loss and perception. Bearing all the hallmarks of Woolf’s prose, with her delicate handling of the complexities of human relationships, *To the Lighthouse* has earned its reputation – frequently appearing in lists of the best novels of the twentieth century, it has lost not an iota of brilliance.

The Spirit Well Stephen Lawhead 2013-06-04 The Search for the Map—and the secret behind its cryptic code—intensifies in a quest across time, space, and multiple realities. But what if the true treasure isn’t the map at all . . . what if the map marks something far greater? Something one world cannot contain? Those who desire to unlock that mystery are in a race to possess the secret—for good or evil. Kit Livingstone is mastering the ability to travel across realities using ley lines and has forged a link from the Bone House, a sacred lodge made of animal bones, to the fabled Spirit Well, a place of profound power. His friend Mina is undercover in a Spanish monastery high in the Pyrenees, learning all she can from a monk named Brother Lazarus. Still determined to find Kit, she is beginning to experience a greater destiny than she can fathom. Cassandra Clarke is overseeing an archaeological dig in Arizona when a chance encounter transports her to 1950s Damascus. There, she finds herself unwillingly

drawn to the Seekers—the last living remnants of the Zetetic Society who need her help to track down the missing Cosimo Livingstone and his grandson Kit. But there are darker forces at work in the universe whose agents always seem to be one step ahead of the rest—and they're all desperate to gain the ultimate prize in this treasure hunt where the stakes increase at every turn. At the heart of the mystery lies the Spirit Well. “Lawhead’s intricately plotted, compelling tale continues to demonstrate his mastery of world building.” —Library Journal

Following a terrible fight with her mother over her boyfriend, fifteen-year-old Holly Sykes slams the door on her family and her old life. But Holly is no typical teenage runaway: A sensitive child once contacted by voices she knew only as “the radio people,” Holly is a lightning rod for psychic phenomena. Now, as she wanders deeper into the English countryside, visions and coincidences reorder her reality until they assume the aura of a nightmare brought to life. For Holly has caught the attention of a cabal of dangerous mystics—and their enemies. But her lost weekend is merely the prelude to a shocking disappearance that leaves her family irrevocably scarred. This unsolved mystery will echo through every decade of Holly’s life, affecting all the people Holly loves—even the ones who are not yet born. A Cambridge scholarship boy grooming himself for wealth and influence, a conflicted father who feels alive only while reporting on the war in Iraq, a middle-aged writer mourning his exile from the bestseller list—all have a part to play in this surreal, invisible war on the margins of our world. From the medieval Swiss Alps to the nineteenth-century Australian bush, from a hotel in Shanghai to a Manhattan townhouse in the near future, their stories come together in moments of everyday grace and extraordinary wonder. Rich with character and realms of possibility, *The Bone Clocks* is a kaleidoscopic novel that begs to be taken apart and put back together by a writer *The Washington Post* calls “the novelist who’s been showing us the future of fiction.” An elegant conjurer of interconnected tales, a genre-bending daredevil, and a master prose stylist, David Mitchell has become one of the leading literary voices of his generation.
