Reaper Apryl Baker 2021-05-25 Ella Grace Banks-I'm an Army brat, so I'm numb to being yanked out of school and moving no matter the time of year. Dad doesn't care that we were only about a month from finishing school, that it's my baby sister's freshman year in high school. Why would he, though? He cares more about the stupid military than he does us. That's how we ended up in Jacob's Fork, West Virginia. My very first day, I was the victim of a hit and run accident that left me in a coma where there's nothing but dark scary things. The reality waiting for me when I wake up is even scarier-I'm told I'm a living reaper who will forever see ghosts, and it's my job to help them move on from the world of the living. I mean, this is not me. I'm the girl who'd rather run around in sweats, a t-shirt, and flip flops with a book in my hand than try to convince ghosts they need to cross over. And then there's Eli. He's my Guardian Angel, apparently. His job is to protect me, and that means maybe even from my dad, whose military unit kidnaps supernatural creatures and studies them. But can anyone actually protect me from a world of spooks and the people trying to harm us? I guess that's what we're about to find out.

Ten Second Staircase Christopher Fowler 2006-06-27 It's a crime tailor-made for the Peculiar Crimes Unit: a controversial artist is murdered and displayed as part of her own outrageous installation. No suspects, no motive, no evidence—it's business as usual for the Unit's cantankerous founding partners, Arthur Bryant and John May. But this time they have an eyewitness. According to twelve-year-old Luke Tripp, the killer was a cape-clad highwayman atop a black stallion. As implausible as the boy's story sounds, Bryant and May take it seriously when "The Highwayman" is spotted again, striking a dramatic pose at the scene of his next outlandish murder. Whatever the killer's real identity, he seems intent on killing off a string of minor celebrities while becoming one himself. As the tabloids look to make a quick bundle on "Highwayman Fever," Bryant and May, along with the newest member of the Unit, May's agoraphobic granddaughter, April, find themselves sorting out a case involving an unlikely combination of artistic rivalries, sleazy sex affairs, the Knights Templars, and street gang feuds. To do it, they're going to have to use every orthodox—and unorthodox—means at their disposal, including myth, witchcraft, and the psychogeographic history of the city's "monsters," past and present. And if one unsolvable crime

weren't enough, this case has disturbing links to a decades-old killing spree that nearly destroyed the partnership of Bryant and May once before...and may again. The Peculiar Crimes Unit is one murder away from being closed down for good—and that murder could be their own.

Pre-Incident Indicators of Terrorist Incidents Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

The Reaper Chronicles F.T. Scott 2021-07-01 Having been presumed dead for three years following a plane crash, Elliot Blythe returns to his home under the curse of death. After the murder of his brother, Elliot finds a master to train him in the dark arts where he learns he must kill to survive. When a strange flu begins to sweep its way through Sterling City, the duo race against the clock to find the person responsible for murdering Elliot's brother and foil a plot to release a synthetic plague on humanity. Will they succeed, or are there larger plans in motion?

The Girl and the Moon Mark Lawrence 2022-04-26 In the third exhilarating novel in this dazzling epic fantasy series, a young outcast will fight against staggering odds to save her world. On the planet Abeth, a narrow Corridor of green land is surrounded on all sides by ice plains where only the strong survive. Ice triber Yaz has completed a perilous journey and arrived at the Corridor, and it exceeds and overwhelms all of her expectations. Everything seems different but some constants remain: her old enemies are still two steps ahead, bent on her destruction. She makes her way to the Convent of Sweet Mercy, where nuns train young girls who show the old gifts, but like the Corridor itself the convent is packed with peril and opportunity. Yaz has much to learn from the nuns—if they don't decide to execute her. The fate of everyone squeezed between the Corridor's vast walls, and ultimately the fate of those laboring to survive out on ice itself, hangs from the moon, and the battle to save the moon centers on the Ark of the Missing, buried beneath the emperor's palace. Everyone wants Yaz to be the key that will open the Ark – the one the wise have sought for generations. But sometimes wanting isn't enough.

Blaze of Chaos C. J. Strange 2018-09-11 Forbidden lives, forbidden love... Britain, circa 2028: a nation devastated by war waged between a dictator and a new subrace of Magick-infused humans, known as Anomalies. A handful of us birthed B.L.A.Z.E., to resist Prime Minister Wentworth and the Sovereignty. It was only a matter of time before they found us. My name is Penelope Starling, and my very existence is a criminal offence. Myself and four fellow Anomalies are all that remain of B.L.A.Z.E.: My burly Scotsman Duncan, whose speed, strength, and loyalty have saved my arse countless times; Alfie, my hot-headed pyromaniac and childhood best mate; Oliver, my sweet tech-genius; and the newcomer, the beautiful and bizarre enigma, Rhys Shields.

Despite their differences, and my responsibilities as their Lieutenant, my heart is starting to burn for them--all of them. Now, I vow to do whatever I must to keep the men I love alive. Wentworth may think he's stamped us out, but if our tiny brigade is willing to fight, and fight together? This war isn't over. Not yet. B.L.A.Z.E. is still very much on fire; And that's a bloody promise. Blaze of Chaos is the debut reverse harem romance 55,000 word novel from C. Strange. It is sultry, high heat, and loads of fun. Meet Penny and her boys!

The Ghost Files 4 Apryl Baker 2016-12-19 Sleep, little children, all safe in your beds. But when the boogeyman knocks, if you are up watching... he'll make sure that you wish you were dead! Once every one hundred and fifty years he emerges from the darkest depths to feed. With each soul he takes, he grows stronger. There is but one gift he needs in order to gain the power he seeks. One gift that will allow him to walk amongst all the precious little children. And it's the one gift Mattie Hathaway possesses...the ability to bring images to life with just a drop of her blood. The demon Silas has warned her to never reveal this ability, not even to her father who shares her power to communicate with the dead. She's heeded his warning, but hiding it may no longer be an option. Children are disappearing all over the Charlotte area. When their bodies are recovered, they are always the same-broken, beaten, and bruised. Fear is spiraling out of control in the Queen City as parents glance nervously around each corner, seeing the boogeyman in every shadow. When one little girl goes missing in Mattie's neighborhood, it's up to her and Officer Dan Richards to find the truth. In doing so, she uncovers a far greater evil than she's ever come up against. The one thing she was bred to defeat. Deleriel. A fallen angel...one of the first demons. He is powerful, ambitious, and now that Mattie is on his radar, she's all he needs to complete his arsenal. Amid of whirlwind of secrets coming to light, Mattie is faced with uncovering the truth about her own heritage. She must come to grips with it before she can begin to prepare for the battle of a lifetime...a battle she never asked for but is caught in the middle of. Can she face her own truths before it's too late?

The Oath Apryl Baker 2014-09-26 She killed herself. Everyone asked why, but when I got my hands on my sister's diary, I understood exactly why. I stared at the girl in the mirror as I removed

my nose ring. Gone was the black hair, replaced by golden blonde locks that made my sapphire blue eyes shine and my California sun-kissed skin glow. The Goth chic clothes had been put away and I wore a pink tank top and a pair of khaki colored Capri's. Stylish sandals completed the outfit. I wanted to barf. The snotty little would-be witches would pay for what they'd done. By the end of the week, they'd all be praying to whatever god they worshipped to hide them from the hell coming for them. May the Fates have mercy upon them, because they would pay the same price they'd demanded of her. Their lives.

One Trick Pony Nathan Hale 2017-03-14 The aliens have arrived. And they're hungry for electricity. In the Earth of the future, humans are on the run from an alien force—giant blobs who suck up electrical devices wherever they can find them. Strata and her family are part of a caravan of digital rescuers, hoping to keep the memory of civilization alive by saving electronics wherever they can. Many humans have reverted to a pre-electrical age, and others have taken advantage of the invasion to become dangerous bandits and outlaws. When Strata and her brother are separated from the caravan, they must rely on a particularly beautiful and rare robot pony to escape the outlaws and aliens—and defeat the invaders once and for all.

The 2030 Spike Colin Mason 2013-06-17 The clock is relentlessly ticking! Our world teeters on a knife-edge between a peaceful and prosperous future for all, and a dark winter of death and destruction that threatens to smother the light of civilization. Within 30 years, in the 2030 decade, six powerful 'drivers' will converge with unprecedented force in a statistical spike that could tear humanity apart and plunge the world into a new Dark Age. Depleted fuel supplies, massive population growth, poverty, global climate change, famine, growing water shortages and international lawlessness are on a crash course with potentially catastrophic consequences. In the face of both doomsaying and denial over the state of our world, Colin Mason cuts through the rhetoric and reams of conflicting data to muster the evidence to illustrate a broad picture of the world as it is, and our possible futures. Ultimately his message is clear; we must act decisively, collectively and immediately to alter the trajectory of humanity away from catastrophe. Offering over 100 priorities for immediate action, The 2030 Spike serves as a guidebook for humanity through the treacherous minefields and wastelands ahead to a bright, peaceful and prosperous future in which all humans have the opportunity to thrive and build a better civilization. This book is powerful and essential reading for all people concerned with the future of humanity and planet earth.

Haunting Experiences Diane Goldstein 2007-09-15 Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be found in any number of entertainment, commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. Personal belief and cultural tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other. They frequently share space in how people think about the supernatural. In Haunting Experiences, three well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. Goldstein, Sylvia Ann Grider, and Jeannie Banks Thomas take ghosts seriously, as they draw on contemporary scholarship that emphasizes both the basis of belief in experience (rather than mere fantasy) and the usefulness of ghost stories. They look closely at the narrative role of such lore in matters such as socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts

Mrs. Morris and the Witch Traci Wilton 2020-04-28 Halloween is the biggest holiday of the year in Salem, Massachusetts—but when B&B owner Charlene Morris finds the dead body of a witch, it spells trouble . . . Charlene, recently widowed, has renovated her historic mansion just in time to greet guests arriving for the town's annual Halloween festivities. She's lucky to have a helpful staff to provide support—as well as a handsome ghost named Jack standing invisibly by her side. Unfortunately, while the revelers head out on haunted tours, have their fortunes told, or grab a drink at Brews and Broomsticks, a killer walks among them. When Charlene discovers Morganna, a local Wiccan, dead in her shop, she starts getting cozy with the local coven, looking for clues to locate the crafty culprit. Salem may be famous for the false accusations of witchery in centuries past, but this time someone is genuinely guilty—of murder . . . Visit us at www.kensingtonbooks.com

Forever Your Touch Apryl Baker 2018-07 Mason Kincaid is a player. He learned from the best-his brothers. He knows he's a good-looking bastard and isn't afraid to use his baby face on the ladies. Life is sweet until he receives a call from his best friend begging Mason to look out for his baby sister, Josephine. A babysitting job is not on his list of things to do, but Keith is like a brother to him, and he can't say no. Then he meets Josephine and feels like a fifteen-year-old fanboy. Josephine isn't just Keith's little sister-she's Mason's favorite YouTuber, and Keith damn well knew it. The bastard probably laughed his ass off. Celebrity crush or not, he takes his role as her fill-in big brother seriously, and he immediately understands Keith's dislike of Jo's self-centered boyfriend. The more time Mason spends with her, the harder it is not to beat the asshole black and blue. And the harder it is to guard his heart. Before long, the player is played. He falls in love with a woman who is not only taken, but seems to truly love her boyfriend. But Mason is a Kincaid, and Kincaids don't back down. He's determined to change his manwhore ways and show Jo what it means to be treated right, cared for, and loved, even though she fights him with every breath. Can he convince her to listen to her heart before it's too late-and they lose the one thing they'll never find again?

The Daughters of Ys M. T. Anderson 2020-08-11 An Atlantis-like city from Celtic legend is the setting of The Daughters of Ys, a mythical graphic novel fantasy from National Book Award winner M. T. Anderson and artist Jo Rioux. Ys, city of wealth and wonder, has a history of dark secrets. Queen Malgven used magic to raise the great walls that keep Ys safe from the tumultuous sea. But after the queen's inexplicable death, her daughters drift apart. Rozenn, the heir to the throne, spends her time on the moors communing with wild animals, while Dahut, the youngest, enjoys the splendors of royal life and is eager to take part in palace intrigue. When Rozenn and Dahut's bond

is irrevocably changed, the fate of Ys is sealed, exposing the monsters that lurk in plain view. M. T. Anderson and Jo Rioux reimagine this classic Breton folktale of love, loss, and rebirth, revealing the secrets that lie beneath the surface.

One Day and One Amazing Morning on Orange Street Joanne Rocklin 2011-04-01 When a mysterious man arrives one day on Orange Street, the children who live on the block try to find out who he is and why he's there. Little do they know that his story—and the story of a very old orange tree—connects to each of their personal worries in ways they never could have imagined. From impressing friends to dealing with an expanding family to understanding a younger sibling's illness, the characters' storylines come together around that orange tree. Taking place over the course of a day and a half, Joanne Rocklin's masterful novel deftly builds a story about family, childhood anxieties, and the importance of connection. In the end the fate of the tree (and the kids who care for it) reminds us of the magic of the everyday and of the rich history all around us. Praise for One Day and One Amazing Morning on Orange Street STARRED REVIEWS "Unfolding in one day's time, the story recounts how secrets are revealed, curiosity is satisfied and wishing becomes hope because the spirit and ties of friendship and community are resilient and strong. Fully realized characters and setting definitely make this one morning on Orange Street amazing." –Kirkus Reviews, starred review "Fascinating and thought-provoking, the writing has a gentle cadence, richness in detail, and is charged with emotion. The book, like the oranges on the Orange Street tree, presents segments of life that are both sweet and tart and sure to satisfy." –School Library Journal, starred review "A touching story, beautifully told in multiple viewpoints." –Booklist "Each chapter focalizes the third-person narration through a particular child, and the book weaves the singular tales into a larger story about a community that is pleasingly quirky but still believable. Readers and parents looking for some wholesome sweetness will want to make a visit to Orange Street." –The Bulletin of the Center for Children's Books AWARD: Pennsylvania School Librarians Association (PSLA) Young Adult Top Forty list

Witch Please Ann Aguirre 2021-09-07 Practical Magic meets Gilmore Girls in this adorable witchy rom-com by New York Times bestselling author Ann Aguirre, with a bisexual cinnamon roll hero, a commitment-averse heroine, and a chemistry between them that causes literal sparks. Danica Waterhouse is a fully modern witch—daughter, granddaughter, cousin, and co-owner of the Fix-It Witches, a magical tech repair shop. After a messy breakup that included way too much family "feedback," Danica made a pact with her cousin: they'll keep their hearts protected and have fun, without involving any of the overly opinionated Waterhouse matriarchs. Danica is more than a little exhausted navigating a long-standing family feud where Gram thinks the only good mundane is a dead one and Danica's mother weaves floral crowns for anyone who crosses her path. Three blocks down from the Fix-It Witches, Titus Winnaker, owner of Sugar Daddy's bakery, has family trouble of his own. After a tragic loss, all he's got left is his sister, the bakery, and a lifetime of terrible luck in love. Sure, business is sweet, but he can't seem to shake the romantic curse that's left him past thirty and still a virgin. He's decided he's doomed to be forever alone. Until he meets Danica Waterhouse. The sparks are instant, their attraction irresistible. For him, she's the one. To her, he's a firebomb thrown in the middle of a family war. Can a modern witch find love with an old-fashioned mundane who refuses to settle for anything less than forever? Praise for Witch Please: "The start to Aguirre's Fix-It Witches series is a delightful, laugh-out-loud small-town tale...Ann Aguirre's sexy, sweet, funny, and oh-so-fulfilling witchy love story will leave readers hungry for Clementine's story"—Library Journal, starred review "Readers will be enchanted."—Publishers Weekly "WITCH PLEASE is a lovely breath of fresh, cinnamon-scented air. It's sexy and sweet, and it's the soft, adorable romance we need right now."—Kristen Callihan, New York Times and USA Today bestselling author of the Game On series

Be a Tree! Maria Gianferrari 2021-03-30 A lyrical, gorgeously illustrated look at the majesty of trees—and what humans can learn from them Stand tall. Stretch your branches to the sun. Be a tree! We are all like trees: our spines, trunks; our skin, bark; our hearts giving us strength and

support, like heartwood. We are fueled by air and sun. And, like humans, trees are social. They “talk” to spread information; they share food and resources. They shelter and take care of one another. They are stronger together. In this gorgeous and poetic celebration of one of nature’s greatest creations, acclaimed author Maria Gianferrari and illustrator Felicita Sala both compare us to the beauty and majesty of trees—and gently share the ways in which trees can inspire us to be better people.
