The Path of the Pole Charles H. Hapgood 1999 Hapgood's tour de force is back in print! This riveting account of how earth's poles have flipped positions many times is the culmination of Hapgood's extensive research of Antarctica, ancient maps and the geological record. This amazing book discusses the various pole shifts in earth's history -- occurring when earth's crust slips in the inner core -- and gives evidence for each one. It also predicts future pole shifts: a planetary alignment will cause the next one on 5 May 2000! Packed with illustrations, this book is the reference other books on the subject cite over and over again. With millennium madness in full swing, this is just the book to generate even more excitement at the unknown possibilities.

The Reluctant Nerd Sandra Paul 2018-07-09 Raised with limited peer interaction, Ernestine St Bennett has difficulty interpreting social cues. At twenty-five she's become a loner; a shy nerd immersed in her scientific studies, whose best friend is her pet fish, Waldo. Then Ernestine meets Simon Prime, who's obviously a nerd, too! Sympathizing with his social dysfunction, Ernie decides to help poor Simon increase his self-esteem and thus enhance his social standing. Using principles learned in her fish studies, she'll simply turn Simon from meek to macho. What Ernestine doesn't know (but Waldo suspects) is that Simon Prime is really ex-cop, private investigator Sam Pierce in disguise. A man who definitely doesn't need his masculinity enhanced!

New Jersey Noir Jonathan Safran Foer 2011-11-01 Discover the darker side of the Garden State with this anthology of gritty mystery stories. Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each volume is comprised of all-new stories, each one set in a distinct location within the geographical area of the book. In New Jersey Noir, a star-studded cast of authors sifts through the hidden dirt of the Garden State.

Featuring brand-new stories (and a few poems) by Joyce Carol Oates, Jonathan Safran Foer, Robert Pinsky, Edmund White & Michael Carroll, Richard Burgin, Pulitzer Prize-winner Paul Muldoon, Sheila Kohler, C.K. Williams, Gerald Stern, Lou Manfredo, S.A. Solomon, Bradford Morrow, Jonathan Santlofer, Jeffrey Ford, S.J. Rozan, Barry N. Malzberg & Bill Pronzini, Hirsh Sawhney, and Robert Arellano. Praise for New Jersey Noir "Oates's introduction to Akashic's noir volume dedicated to the Garden State, with its evocative definition of the genre, is alone worth the price of the book . . . Highlights include Lou Manfredo's "Soul Anatomy," in which a politically connected rookie cop is involved in a fatal shooting in Camden; S.J. Rozan's "New Day Newark," in which an elderly woman takes a stand against two drug-dealing gangs; and Jonathan Santlofer's "Lola," in which a struggling Hoboken artist finds his muse . . . Poems by C.K. Williams, Paul Muldoon, and others—plus photos by Gerald Slota—enhance this distinguished entry." —Publishers Weekly "It was inevitable that this fine noir series would reach New Jersey. It took longer than some readers might have wanted, but, oh boy, was it worth the wait . . . More than most of the entries in the series, this volume is about mood and atmosphere more than it is about plot and character . . . It should go without saying that regular readers of the noir series will seek this one out, but beyond that, the book also serves as a very good introduction to what is a popular but often misunderstood term and style of writing." —Booklist, Starred Review "A lovingly collected assortment of tales and poems that range from the disturbing to the darkly humorous." —Shelf Awareness

The Coast Guard in San Diego Coast Guard Sector San Diego 2010 Located a few miles north from the border of the United States and Mexico, the U.S. Coast Guard has maintained a continual presence in San Diego since 1935. It was in May of that year that a single air detachment, led by Cdr. Elmer F. Stone, began operating out of a commercial hangar at Lindbergh Field. From those humble beginnings, a base was constructed on 23 acres of tidelands adjacent to the airstrip and eventually formed into Sector San Diego. Through the years, their units and missions have evolved as new technology and changing world events dictated new missions for the Coast Guard. Today Coast Guard Sector San Diego stands as a model of interagency cooperation for the Department of Homeland Security as the Coast Guard works with other federal agencies to protect San Diego's maritime domain.
